Profile

I am an Associate Professor and Program Lead of Measurement and Methodology at the Matilda Centre for Research in Mental Health and Substance Use, the University of Sydney. I lead an internationally recognised program of research that utilises innovative statistical and psychometric methods to answer important epidemiological questions on the relationship between mental health and substance use. I am a strong believer in open science and ensuring my work is transparent and of a high ethical standard. I am passionate about building capacity in the use of innovative quantitative methods in psychiatric research and effectively disseminating and translating my work into policy and practice.

Education

Conferred 2011	Ph.D	School of Psychiatry, UNSW Sydney
Conferred 2007	B Psychology (Hons) / Class 1	Department of Psychology, Macquarie University

Current appointments

2022–Present	Associate Professor	The Matilda Centre, University of Sydney
2020–Present	Honorary Associate Professor	School of Psychology, Macquarie University
2017–Present	Visiting Research Fellow	Centre for Mental Health Research, Australian National University

Previous appointments

2018–2021	Senior Research Fellow	The Matilda Centre, University of Sydney
2016–2018	Senior Research Fellow	National Drug and Alcohol Research Centre, UNSW Sydney
2016–2020	External Research Fellow	The Black Dog Institute, UNSW Sydney
2013–2016	NHMRC Early Career Research Fellow	National Drug and Alcohol Research Centre, UNSW Sydney
2012–2013	Post-doctoral Research Fellow	National Drug and Alcohol Research Centre, UNSW Sydney
2011–2012	Post-doctoral Research Fellow	Clinical Research Unit for Anxiety and Depression, UNSW Sydney
2008–2010	Statistical Consultant	Clinical Research Unit for Anxiety and Depression, UNSW Sydney
2007–2008	Research Associate	Clinical Research Unit for Anxiety and Depression, UNSW Sydney

Academic and research leadership roles

2019–Present	Lead, The Statistics Portfolio	The Matilda Centre, University of Sydney
2019–2021	Lead, Seminar and Training Committee	The Matilda Centre, University of Sydney
2018–Present	Program Lead in Measurement and Methodology	The Matilda Centre, University of Sydney
2016–Present	Lead, Mental Health Metrics Alliance	University of Sydney
2011–2012	Co-research Director	Clinical Research Unit for Anxiety and Depression, UNSW Sydney

Awards and honours

2023	Faculty of Medicine Makers and Shapers Award - Outstanding research team
2021	The Matilda Centre Outstanding Contribution Award
2017	Society for Mental Health Research Rising Star Award
2011	UNSW Faculty of Medicine Dean's Rising Star Award

Research

I have authored **168** scientific journal articles, book chapters, and technical reports. A full list of publications is provided on pages 13–22. I have developed or co-developed **75** scales or assessment tools to measure mental health and substance use disorders on pages 6–9.

My current work addresses three key themes:

1. Re-conceptualising the classification of mental health and substance use disorders.
2. Targeting inefficiencies in large-scale data collection and assessment.
3. Utilising innovative statistical procedures to generate new epidemiological evidence to inform prevention and early intervention efforts.

Publication Metrics

- Journal Articles: 158
- Book Chapters: 1
- Reports: 8
- Consumer/Clinician instruments: 75
- I have published with 150 co-authors
- Citations: 8568
- H-index: 45
- Field Weighted Citation Index for last 5 years: 2.71
- Articles in top 10% most cited worldwide: 28.0%

Presentations

I have personally presented **38** conferences presentations or invited seminars/workshops (see Table below). I have also co-authored >30 international and national presentations that were delivered by other co-authors (details not provided here).

Teaching

As a research-focused academic for the past eleven years my teaching experience has involved research student supervision and capacity building in statistics among research staff and students. I currently supervise six PhD students and one Doctor of Psychology student. I have successfully supervised one PhD student, five undergraduate honours students, and one summer intern student to completion. I currently lead the Statistics Portfolio and conduct Statistics drop in sessions twice a week for 45 minutes via Zoom for all staff and students. My primary approach to teaching is to form a highly collaborative relationship with my students. I feel it is important to maximise student development by prioritising independent creative thinking with strong support systems in place.

Current students

2021–Present	Bridie Osman	PhD. University of Sydney.
	➤ Recipient of the Health4Life PhD Scholarship	
2021–Present	Arvind Kendurkar	PhD. University of Sydney.

Past students

2020–2023	Samantha Lynch	PhD. University of Sydney.
	➤ Recipient of the PREMISE PhD Scholarship.	
2020–2023	Rachel Visontay	PhD. University of Sydney.
	➤ Awarded both NHMRC PhD Scholarship and Australian RTP scholarship. Recipient of the NHMRC PhD Scholarship.	
2020–2023	Jack Wilson	PhD. University of Sydney.
	➤ Recipient of the NHMRC PhD Scholarship.	
2020–2021	Alana Rogers	Doctor of Psychology. Deakin University.
2020	Ragavi Jayakumar	Summer Intern Student. University of Sydney.
	➤ Competitively awarded summer internship	
2018	Ilse ten Thije	Honours. UNSW Sydney.
	➤ International exchange student	
2017–2019	Jennifer Ma	PhD. Australian National University.
	➤ Recipient of the Grace Groom Memorial Scholarship and the Korten Prize for best published paper	
2017	Zenna Breuren	Honours. UNSW Sydney.
	➤ International exchange student	
2016	Iris van de Pavert	Honours. UNSW Sydney.
	➤ International exchange student	
2016	Harry Hong	Honours. UNSW Sydney.
	➤ Faculty of Medicine ILP student	
2016	Yang Wong	Honours. UNSW Sydney.
	➤ Faculty of Medicine ILP student	
2015	Esther Lee	Masters. Macquarie University.
