Place of birth South Africa
Current appointment **Senior Lecturer**, Level C (full time), **Masters of Occupational Therapy Course Director**, Discipline of Occupational Therapy, Sydney School of Health Sciences, **Student Life Academic Director**, Faculty of Medicine and Health, University of Sydney
 Research fellow, Faculty of Medicine, University of the Free State (RSA)

Academic and Professional Qualifications

Awarded	Title of Degree	Institution
2011	Dementia Care Mapper	University of Bradford (UK)
2008	Doctor of Philosophy <i>Facilitating a culture of research at under-graduate level for occupational therapists trained at the University of the Free State.</i>	University of the Free State (RSA)
2001	Master of Science <i>An exploration of economic independence as a perspective of functionally illiterate blind adults.</i>	University of Exeter (UK)
1998	Master of Occupational Therapy	University of the Free State (RSA)
1992	Bachelor of Occupational Therapy	University of the Free State (RSA)

Professional Qualifications

Dementia Care Mapper, University of Bradford (UK) - 2011

Other Professional Memberships /Associations

2020 Senior Fellow to the Higher Education Academy (UK, PR165698)
 1992 - current South African Medical and Dental Council member (OT22063).
 2015 - current Australian Occupational Therapy Association member (931817).
 2000 – current Occupational Therapy Association of South Africa member (OT2451). *Chair of Free State Branch* (2000 – 2003). *Chair of OTASA National Conference Committee* in 2002.
 2017 – current Australian Health Practitioner Regulation Agency (OCC0002106548).
 1998 – 2008 British Association of Occupational Therapy member (OT 21471).
 1998 – 2008 Health Professions Council UK member (BT0219669).

Awards and Recognition

- 2020 Selected as one of the 20 women university-wide to participate in the Vice-Chancellor's Sponsorship Program for women from culturally and linguistically diverse backgrounds.
- 2019 Awarded the Faculty of Health Sciences Excellence in *Teaching Award for Outstanding Educational Engagement and Innovation*, December 2019. Community engagement in Scalabrini Live-in Intergenerational program highlighted as one of the '10 health stories' in December 2019: <https://sydney.edu.au/news-opinion/news/2019/12/19/10-health-stories-that-got-people-talking-this-year.html?tc=tw-o|mpr-twitter|mc-media>|||
- 2017 Selected as one of 12 women university-wide to participate in the *Sydney Women in Mentoring* program for Level B staff: (<https://intranet.sydney.edu.au/news/all/2017/11/17/mentoring-program-graduates.html>)
- 2015 The IAHSA Award for Excellence in Applied Research, presented at the IAHSA ACSA Joint International Conference in Perth, Australia.
- 2012 OTASA Conference best Mental Health Paper as well as Best Practice Paper: *Dignity through engagement: Exploring meaningful activities for Sesotho/Setswana elderly individuals in residential care units*
- 2011 Kerneels Nel Medal, Faculty of Health Sciences, University of the Free State. *Winner*: Best Educational/Qualitative Research Article published in 2010: *Research and reflection: The potential impact of professional development of undergraduate occupational therapy students*
Kerneels Nel Medal, Faculty of Health Sciences, University of the Free State. *Runner up*: Best Educational/Qualitative Research Article published in 2010: *Role of research in occupational therapy clinical practice: applying action learning and action research in pursuit of evidence-based practice*

Employment History and Achievements

<i>University of Sydney, Australia</i>	Lecturer since 2014 (1.0 in 2014 – 2015, 0.8 in 2016 – 2017, resumed 1.0 in 2018). Please refer to Teaching and Research Portfolio sections for more detail.
<i>University of The Free State, South Africa</i>	<p>Senior lecturer 2003 – 2013 (0.5 – permanent position)</p> <p>Developed psychosocial and theoretical units of study for undergraduate occupational therapy students –e.g. introduced new occupational therapy models of practice; initiated residential aged care as a context for practice.</p> <p>Developed and introduced community service learning as an addition to fieldwork experience across all four years of undergraduate training.</p> <p>Supervision of Masters of Occupational Therapy and Ph.D. research students.</p> <p>Initiated and coordinated international student exchange with the University of Southampton to host students for fieldwork placements between 2002 and 2012 (N=10).</p> <p>Invited to present insights on the application of the Model of Human Occupation (MOHO) within the South African context at the University of Illinois in Chicago by Prof Gary Kielhofner, founder of the MOHO Institute (2010 - Chicago, USA)</p> <p>Awarded a Commonwealth scholarship in 2010 to undertake studies at the University of Bradford Dementia Studies Division and became the <i>first Dementia Care Mapper in Africa</i>.¹</p>

¹ Dementia Care Mapping™ is an established approach to achieving and embedding person-centred care for people with dementia. The mapper prepares staff to take the perspective of the person with dementia in assessing the quality of the care rendered, provides evidence for care teams to critical reflect on, and support them to practically improve the quality of care for people living with dementia.

<i>ENGO Aged Care, Bloemfontein, South Africa</i>	Occupational therapy consultant 2003 – 2013 (5 hours per week) Coordinated and trained occupational therapy students to deliver student-led person-centred care programs. <i>Formed basis of Ph.D. research.</i>
<i>Tshimologo PALC Department of Labour, greater Bloemfontein area, South Africa</i>	Employment consultant 2001 – 2009 (7 hours per week) Co-founder of the first Adult Basic Education and Training Program for blind adults in South Africa. Developed a prevocational and entrepreneurship program. <i>Formed basis of M.Sc. research.</i>
<i>Sussex Weald and Downs NHS Trust, Department of Occupational Therapy, Kingsmead Rehabilitation Team, West-Sussex, UK</i>	Senior 1 occupational therapist 1998 – 2000 (full time) Supervised basic-grade Occupational Therapist; OT Technician (Grade III); and OT students on placement. Rendered a rehabilitation service to persons with enduring mental health problems who lived in the community as a member of a multi-disciplinary team, rendering. This service included assessment and rehabilitation in areas of personal activities of daily living; domestic activities of daily living; mobility in the community; empowering clients to access training opportunities, sheltered workshops, and leisure pursuits. Initiated volunteer placements at local medical hospital (e.g. filing, flower arrangements), and at animal shelters. This program supported clients to gain confidence and access community college courses (e.g. in aromatherapy and administrative training).
<i>Bartimea School for the Deaf and the Blind. Thaba Nchu, South Africa</i>	Occupational therapy manager 1996 – 1998 (full time) Introduced pre-vocational and life skills training for the Deaf and blind students (ages 12 - 21). Established work shadowing placements with local businesses (hotels, butchers, bakery) for older students. Conducted staff training sessions. Initiated games days with local high schools to establish community integration of the students with disabilities.
<i>Cypress Manor Rehabilitation Centre, Florida, USA</i>	Senior occupational therapist 1995 – 1996 (6 months full time) Gained experience and expertise working with residents with dementia in a long-term care settings during a period of unpaid leave granted by the Centre for the Aged. Cypress Manor covered rehabilitation of short-stay geriatric patients; and also accommodated residents with dementia long-term. Expanded the dementia care program extensively in this period - initiated a family support group; set-up a sensory stimulation room; and trained staff in dementia care.
<i>Centre for the Aged, (Residential and community care) Bloemfontein,</i>	Senior occupational therapist 1994 – 1996 (full time) Extended program to include rehabilitation of out-patients with neurological, surgical and orthopaedic conditions. Designed and co-coordinated a program for long-term dementia care.

South Africa

Established an activities program for permanent frail residents.
Recruited and trained 50 volunteers to support the running of activities program.
Designed assistive technology with PVC piping and liaised with local engineering department to manufacture these devices.
Set up and ran an assistive devices and equipment library to support older adults who needed support for living independently.
Initiated and trained a staff member to act as a home-help for older adults who needed some support to stay at home independently.

Southend General Hospital, Essex, UK

Basic grade occupational therapist
1993 (full time)
Basic grade position on medical, surgical and orthopaedic wards.

Teaching Portfolio

Year	Unit	Role	Innovations
2017 – 2019	HSBH3012 HSBH 5001 FSH Abroad	Coordinator	Included practical sessions to promote acquisition of basic language (phrases/apps to use during placement), safer moving and handling skills; examples of assignment contents; and case studies for greater awareness of cultural sensitivity.
2015 – 2017	OCCP5237 Occupational Therapy Theory and Practice	Lecturer (2015 – 2016) Coordinator (2017)	Flipped classroom – coordinated reading responses to encourage mastering of lecture content prior to face-to-face contact
2014 - current	OCCP3078 Occupational Performance and Retirement	Coordinator	Learning activities to support different learning styles e.g. use of Poll Everywhere to enhance lecture engagement; site visits and case studies for scenario training; self-directed learning activities to promote awareness of stereotypes influencing age care practice; consumer engagement in workshop presentations to promote experiential learning opportunities. Future goal: fostering global learning experiences relating to an international focus on aged care by the development of case studies in conjunction with educators from the University of Southampton (UK), University of the Free State (South Africa) and Karolinska Institutet (Sweden).
2014 - 2016	OCCP5242 Intensive March/Intensive October Reflexivity and	Academic coordinator	In preparation of entering the labour market as a novice practitioner the unit content was adapted to incorporate an occupational therapy theoretical model (The Kawa) for (i) guiding reflective practice and

	OT Professional Practice		(ii) supporting a holistic consideration of the master's program.
2014 – 2015	OCCP1097 Analysing Occupations and Performance	Coordinator	Expanded lecture content to consider practice context based on constructs of the Model of Human Occupation and the Canadian Model of Occupational Performance and Engagement. Incorporated use of videos in tutorials (e.g. Best Exotic Marigold hotel) for considering the impact of context on occupational performance.
2015	OCCP5217 Occupational Therapy Assessment and Planning	Coordinator	Expanded experimental learning by developing case studies for tutorial sessions.

Selected Evidence of Continued Profession Education:

Learning to Teach Online by UNSW Sydney (The University of New South Wales) on Coursera (6 Weeks, 3-4 hours/week). Certificate earned Wednesday, June 26, 2019 9:28 PM GMT. Grade Achieved: 97.8%.

RESEARCH PORTFOLIO

Successful Grants and Funding

Awarded	Project and Awarding Body	Amount
2020	Interdisciplinary research grant financed by the Strategic Research Fund of the UFS (RSA): <i>'The Eden Alternative™ promoting organisational culture change for enhanced aged care practices: a case study approach'</i> . Tsatsi, I., Van der Merwe, T., Hofmann, J., Stroebel, R. Du Toit, S.H.J.	\$4,000
2019	Charles Perkins Centre Aboriginal and Torres Strait Islander Wingara Mura Leadership Academy EMRC Seeding Grant: <i>Strengthening social and emotional wellbeing services with Elders and older Aboriginal people</i> . Gibson, C., Gilroy, Du Toit, S.H.J. , Lincoln, M., Brideson, T. & Dobrohotoff, J.	\$60,000
2018	Worldwide Universities Network (WUN) Sustainability grant. <i>A Social Care Approach to Ageing</i> : Extending the WUN global initiative promoting meaningful engagement of persons with advanced dementia ageing in supported living environments. An ARC Linkage project led by Baldassar, L, Du Toit, SHJ , Wilding, R, and Etherton-Beer, C.)	\$25 000
2018	<i>Liveable Communities - HOME FAST</i> . Mackenzie L, McGrath M, Du Toit S.H.J. ; Department of Family and Community Services (NSW)/Liveable Communities Grants Program.	\$98,843.00
2017	<i>Older people's use of technology to successfully age in place</i> . University of Sydney Ageing in Place Seeding Grant: Lovarini, M., Clemson, L., O'Loughlin, K., Du Toit, S. H.J. & Patomella, A	\$20 000
2017	<i>Embracing Meaningful Engagement as an Active Ageing directive in Residential Aged Care</i> , NSW Industry and Community Engagement Seed Program: Du Toit, S. H.J. & O'Loughlin, K.	\$20 000
2017	<i>Dementia in prisons – enabling better care practices for those ageing in place in correctional facilities</i> . University of Sydney	\$20 000

	Ageing in Place Seeding Grant, Du Toit, S. H.J. , O'Loughlin, K., Surr, C., Butler, T., Withall, A., Snoyman, P. & Forsyth, K.	
2017	<i>Evaluation of the Macquarie Hospital Centralised Rehabilitation Program.</i> Northern Sydney Local Health District, trading as Macquarie Hospital Consultancy Agreement, Du Toit, S. H.J.	\$10 000
2017	<i>Understanding of aged care - a global learning experience.</i> University of Sydney Strategic Education Grant: Du Toit, S. H.J. , Barton, R., Dylke, E., Chapparo, C., Mchugh, A., Vikstrom, S., Bracher, M. & Vermaak, M.	\$5 000
2016	<i>Knowledge-Attitude-Practice (KAP) of caregivers in institutions of elder care in Zhejiang Province.</i> WUN Research Development Fund (RDF): Hengjin, D., Du Toit, S. H.J. , Baldassar, L., Cheung, G. & Perry, K.	\$2 000
2016	<i>Facilitating Peer-enabled Dementia Care - a pilot project.</i> Commissioned Research by Alzheimer's Australia NSW: Du Toit, S. H.J.	\$7 900
2015	<i>Global initiative promoting meaningful engagement of people with advanced dementia ageing in supported living environments.</i> WUN Research Development Fund: Du Toit, S. H.J. , Lovarini, M., Baldassar, L., Buchanan, H., Cheung, G., Perry, K., & Collier, L.	\$33 000
2015	<i>Linkage with Industry – residential care facilities in Sydney.</i> The University of Sydney Industry Engagement Fund: Du Toit, S. H.J. , Thomson, K. & Barton, R.	\$2 000
2014	In-house Travel grant, Faculty of Health Sciences, University of Sydney: Du Toit, S. H.J.	\$2 000
2013	<i>Participation, Safety and Active Ageing.</i> International Program Development Fund (IPDF) Grant. University of Sydney: Lovarini, M., Clemson, L., Borell, L., Du Toit, S. H.J. , Kottorp, A. Mahoney, J., & Nygard, L.	\$19 812
2011	KIC Travel Grant from the South African National Research Foundation to attend the Australian Occupational Therapy Conference. CI. University of the Free State: Du Toit, S. H.J.	\$2 000
	Total: 371,555	

Invited Addresses

2021	Invited speaker for Calvary Retirement Communities - Leadership Forum. <i>Meaningful engagement - key to a life worth living.</i> Newcastle, Australia. Invited speaker for WITS University OT Indaba PhD group. <i>Scientific methodologies for reviewing literature - Data analysis for systematic/scoping reviews.</i> Johannesburg, South Africa (via Zoom)
2018	Invited speaker at Tamworth Occupational Therapy Forum. <i>The Issue is... where are we at with working with collectives: theory versus practice?</i> Tamworth, Australia. Invited speaker for public lecture at <i>on Care Settings as collectives.</i> WITS University, South Africa.
2017	Research Collaboration Award Host Committee Member and invited speaker for the Ageing and New Media Symposium: <i>Care</i>

settings as micro-communities – how meaningful engagement enables the doing and belonging of people with advanced dementia.
UWA, Perth, Australia.

Invited Workshop presenter: *Uncovering solutions for shared doing - collaborative approaches to promote meaningful engagement within residential care settings for elders with advanced dementia.*
Pioneer Network Conference – ‘Be the future: Person-directed culture is happening.’ Chicago, USA.

Invited Workshop Presenter: *Peer enabled dementia care - Using group problem solving to promote relationship focused, resident-centred care.* 2017 Pioneer Network Conference – ‘Be the future: Person-directed culture is happening.’ Chicago, USA.

2016 **Invited presenter:** *Creating shared moments of joy.* ARV Family Forum (Castle Hill).

Invited Workshop Presenter: *A Life Worth Living.* Presented to staff of Catholic Health Care in the North West region. (Bathurst).

2012 **Invited Panel Member:** *Occupation in context - exploring meaningful activities for elderly Sesotho persons who reside in care facilities in the Free State.* IAGG Africa Region Conference on Gerontology and Geriatrics.

2010 **Invited speaker** at workshop of Wisconsin Occupational Therapy Association Workshops: 1) *Addressing the Therapeutic Milieu in Care Settings: A Culture of Change*; 2) *Benefits of Dementia Care Mapping in Occupational Therapy.* [14 April 2010, Appleton WI (USA)].

Invited speaker at UIC (USA) Department of Occupational Therapy: *Using the Model of Human Occupation to conceptualize an occupational therapy program for blind persons in South Africa.* Scholarship of Practice Lecture [16 April 2010, UIC (USA) Department of Occupational Therapy].

Research Supervision

Year	Candidate	Award	Thesis title
Current 2021 -	Anthony Jejelaye (Co-supervisor)	PhD	<i>Occupational Therapy Guidelines for Dementia Care at the community level in South Africa</i>
Current 2020 -	Rohan Lai (Lead supervisor)	Honours	<i>Intergenerational Live-in Student Programs in Residential Aged Care Organisations as a means for meaningful engagement</i>
Current 2020 -	Yasheeka Patel (Lead supervisor)	Honours	<i>Enabling meaningful engagement through social support networks to promote health and wellbeing</i>
Current 2019 -	Cathy Monro (Co-supervisor)	PhD	<i>The changing nature of aged care in Australia: A qualitative study of the impact of current aged care reforms through experiences of residential aged care providers, their clients and families.</i>
2018 - 2019	Shermain Ng (Lead supervisor)	Honours	<i>Dementia in Prisons – towards better care for older prisoners</i>
2018 - 2019	Jorden Dunn (Lead supervisor)	Honours	<i>An occupational perspective on residential aged care facilities as micro-communities: a scoping review</i>
2018 - 2021	Deepali Bagul (Co-supervisor)	Master's by research	<i>Cultural interventions in person centered care plan to provide 'Quality life' to older Indian migrants with dementia.</i>
Current 2018 -	Hanlie Pitout (Co-supervisor)	PhD	<i>Development of an interprofessional education and collaborative practice module for final year health science students at Sefako Makgatho Health Sciences University (WITS University)</i>
2018 - 2019	Kylie Maree Angelou (Lead Supervisor)	Honours	<i>Promoting meaningful engagement for residents with dementia through intergenerational programs: A case study approach</i>
2017 - 2018	Amy Louise Fellows (Co-supervisor)	Honours	<i>The Use of Music to Promote Meaningful Engagement among People with Moderate to Severe Dementia Living in Residential Aged Care Facilities in NSW. (University of Sydney) Amy was awarded the <i>Douglas and Lola Douglas Scholarship in Health Sciences - Occupational Therapy</i> in November 2017. (\$7,300 tenable for 1 year).</i>

2017 – 2018	Imojean Diane Best (Co-supervisor)	Honours	<i>The use of computer-based technologies to enhance meaningful engagement for people with dementia in residential aged care: a scoping review. (University of Sydney)</i>
Current 2016 - 2020	Melissa Killian (Co-supervisor)	Masters by research	<i>Feasibility of using the Residential Environment Impact Scale (REIS) and the Assessment for Occupational and Social Engagement (ATOSE) as assessment tools within ENGO Residential Care Facilities in the Free State province, South Africa (University of the Free State)</i>
Current 2016 -	Zelda O'Reilly (Co-supervisor)	Masters by research	<i>Current value and use of the UFS Model of Ontogenesis and Dynamics of Occupational Function and Dysfunction in the South African context. (University of the Free State)</i>
2016 - 2018	Sarah Jane Fitch (Lead supervisor)	Honours	<i>Feasibility of Implementing the Residential Environment Impact Scale (Version 4) to Residential Aged Care Facilities of Sydney, Australia. (University of Sydney)</i>
2013 – 2017	Hester van Biljon (Co-supervisor)	Ph.D	<i>Transforming Vocational Rehabilitation in Occupational Therapy Departments in Gauteng public healthcare through Action Research and Mentoring. (University of the Witwatersrand)</i>
2013 - 2016	Esna Carroll (Lead supervisor)	Masters by research	<i>The Evaluation of an Occupational Therapy Group Life Skill Programme: Towards Best Practice. (University of the Free State)</i>
2015 – 2016	Xizi Shen (Lead supervisor)	Masters	<i>A critical interpretive synthesis of how occupational therapists perceive and support the culture change in residential care facilities for elders with advanced dementia. (University of Sydney)</i>
2015 – 2016	Yik Ling Chan (Lead supervisor)	Masters	<i>Facilitating Peer-enabled Dementia Care - a pilot project. University of Sydney.</i>
2014 – 2016	Amiel Zachary Shparberg (Lead supervisor)	Honours	<i>Occupational Therapy and Meaningful Engagement for People with Dementia Living in Residential Care Settings: A Scoping Review. (University of Sydney)</i>
2014 – 2016	Dongni Li (Lead supervisor)	Honours	<i>The Perceived Impact of Occupational Therapy Fieldwork Students on Services for Older Clients – Students' Perspectives. (University of Sydney)</i>
2014 - 2015	Jung Wook Lim (Co-supervisor)	Honours	<i>"I have no choice but to change, to be someone else": Experiences of International Students from Asian Backgrounds Studying Occupational Therapy in Australia. (University of Sydney)</i>
2009 – 2012	Corné Kotze (Lead supervisor)	Masters by research	<i>Quality of life and activity involvement for people with dementia: the perception of caregivers. (University of the Free State)</i>
2010 – 2011	W Boning, M de Villiers, A Kruger, N Olivier, R van der Merwe, G Viljoen	Honours	<i>An Exploration of a Cultural Relevant Milieu for the Sesotho/ Setswana Elderly Persons in Residential Care Units in the Free State. (University of the Free State)</i>

National and International Presentations

Year Presentation

- 2021 #52 Paper: *Intergenerational live-in student programmes in residential aged care organisations – building social resilience through meaningful engagement*. 2021. Presented with Mr Tsz Wang Rohan Lai (The University of Sydney, Australia). COTEC-ENOTHE Congress 2021. Prague, Czech Republic.
- #51 Paper: *Promoting Healthy Ageing in Isolated Older Adults: Piloting an Innovative Social Network Tool during an Emerging Student Placement*. 2021. Presented with Miss Yasheeka Patel (University of Sydney, Australia). Australian Association of Gerontology. Gold Coast, Australia.
- #50 Paper: *Using a Social Network Tool to Build Resilience for Socially Isolated Older Adults*. 2021. Presented with Miss Yasheeka Patel (University of Sydney, Australia). Council of Occupational Therapists for European Countries and European Network of Occupational Therapy in Higher Education (COTEC-ENOTHE). Prague, Czech Republic.
- 2019 #49 Paper: *Factors that guide the planning of an interprofessional education and collaborative practice curriculum – a scoping review*. Presented with Ms Hanlie Pitout and Dr Fasloen Adams. SAAHE. Bloemfontein, South Africa (26 June 2019)
- #48 Paper: *Factors that guide the planning of an interprofessional education and collaborative practice curriculum – a scoping review*. Presented with Ms Hanlie Pitout and Dr Fasloen Adams. Interprofessional Education and Collaborative Practice for Africa (AfrIPEN). Nairobi, Kenya. (30 July – 2 August)
- #47 Paper: *The role of professional bodies in planning the interprofessional education and collaborative practice undergraduate curriculum*. Presented with Ms Hanlie Pitout and Dr Fasloen Adams. Health Professional Council of South Africa (HPCSA). Emperors Palace Johannesburg, South Africa (19 August 2019).
- #46 Poster: *The feasibility of implementing the Residential Environment Impact Scale (version 4) in Australian residential aged care facilities*. Presented with Ms Sarah Jane Fitch and Associate Professor Lee-Fay Low. Occupational Therapy Australia Conference 2019. Sydney, Australia.
- #45 Paper: *Music to Promote Meaningful Engagement for People with dementia in Residential Aged Care*. Presented with Ms Amy Fellows and Dr Margaret McGrath. Occupational Therapy Australia Conference 2019. Sydney, Australia.
- #44 Paper: *Does technology contribute to meaningful engagement for people with dementia in residential aged care?* Presented with Ms Imojean Best and Dr Meryl Lovarini. Occupational Therapy Australia Conference 2019. Sydney, Australia.
- #43 Paper: *Promoting meaningful engagement for residents with dementia through intergenerational programs: A case study approach*. Presented with Ms Kylie Angelou and Associate Professor Lee-Fay Low. Occupational Therapy Australia Conference 2019. Sydney, Australia.
- #42 Poster: *A global understanding of dementia care – creating an international learning experience*. Presented with Ms Mia Van Schalkwyk (UFS, South Africa) and Dr. Sofia Vickstrom (Karolinska Institutet, Sweden). Australian Dementia Forum. Hobart, Tasmania.
- #41 Poster: *Care settings as micro-communities- Time to focus on a collective approach*. Australian Dementia Forum. Hobart, Tasmania

- #40Poster: Considering best care options for older prisoners with dementia Australian Dementia Forum. Hobart, Tasmania.
- 2018 #39Poster: [A fair future for older prisoners with dementia](#). AAG Conference, Melbourne Convention and Exhibition Centre, Australia.
- #38Paper: [Care settings as micro-communities - enabling residents as active agents](#). AAG Conference, Melbourne Convention and Exhibition Centre, Australia.
- 2018 #37Poster: [Quantifying occupational injustice: using the assessment tool for occupational and social engagement \(ATOSE\)](#). Presented with Dr Mark Morgan-Brown (Cavan Hospital, Ireland). World Federation of Occupational Therapy Congress. Cape Town, South Africa.
- #36Paper: [Mentoring Clinical Occupational Therapists offering Vocational Rehabilitation in Public Healthcare](#). A Critical Reflection on Four Years' Experience. Presented with Dr Hester van Biljon and A/prof Daleen Casteleijn (WITS University, South Africa). World Federation of Occupational Therapy Congress. Cape Town, South Africa
- #35Poster: [An explorative study towards best client-centred practice of an occupational therapy life skill program](#). Presented with Ms Esna Carroll and Ms Mia Vermaak (University of the Free State, South Africa). World Federation of Occupational Therapy Congress. Cape Town, South Africa
- #34Paper: [The relevance of the UFS occupational therapy model – perceptions of students and practitioners](#). Presented with Ms Zelda O'Reilly and Ms Mia Vermaak (University of the Free State, South Africa). World Federation of Occupational Therapy Congress. Cape Town, South Africa
- 2018 #33Paper: [Dementia in prisons: enabling better care for ageing prisoners](#). Royal College of Occupational Therapists. Belfast, Northern Ireland.
- #32Workshop: [Exposing occupational injustice in institutional settings](#). Presented with Dr Mark Morgan-Brown (Cavan Hospital, Ireland). Royal College of Occupational Therapists. Belfast, Northern Ireland.
- 2017 #31Co-presenter in absentia: [Factors affecting clinical applications of the REIS 4.0](#) Presented with Prof Christine Raber (Shawnee State University, USA). Fifth International Institute on Kielhofner's Model of Human Occupation (MOHO). USA.
- 2017 #30Co-presenter in absentia: [The perceived impact of occupational therapy fieldwork students on services for older clients](#). Presented with Dongni Li, Dr Srivalli Nagarajan, and Ms Christina Thompson. Occupational Therapy Association of Australia Conference. Perth, Australia.]
- 2017 #29Co-presenter in absentia: [Occupational therapy and meaningful engagement for people with advanced dementia living in residential care settings: a scoping review](#). Presented with Amiel Zac Shparberg and Dr Meryl Lovarini Occupational Therapy Association of Australia Conference. Perth, Australia
- 2016 #28Co-presenter in absentia: [Appreciate inquiry – supporting meaningful occupational engagement within residential care settings](#). Presented with Christine Raber, Shawnee State University, USA; Stephan du Toit, Australian Catholic University. COTEC-ENOTHE 2016. Galway, Ireland.
- #27Co-presenter in absentia: [Unpacking the concept of person-centred care within OT in dementia care](#). Presented with Lena Rosenberg, Margarita Mondaca and Meryl Lovarini. COTEC-ENOTHE 2016. Galway, Ireland.
- #26Co-presenter in absentia: [Residential care settings – an occupational therapy perspective](#). Presented with Lena Borell, Lena Rosenberg,

- Margarita Mondaca and Christine Raber. COTEC-ENOTHE 2016. Galway, Ireland.
- #25 Paper: Facilitating peer-enabled relationship-focused dementia care - A pilot study. AAG's 49th Annual Conference "Capitalizing on the Ageing Dividend: Re-imagining Our Future". Canberra, Australia
- 2015 #24 Poster: Appreciative inquiry - a means to ensure that we collaborate successfully. APOTC, Rotorua, New Zealand.
- #23 Paper: What do occupational therapists and Tinkerbelle have in common? APOTC, Rotorua, New Zealand.
- 2014 #22 Paper: Dementia Care Mapping as a Practice Development Tool to Facilitate Person-Centred Care. WFOT, Yokohama, Japan.
- 2012 #21 Paper: Demystifying person-centred care for people residing in long-term care facilities. International Federation on Aging. Prague, Czechoslovakia.
- #20 Paper: Claiming back a voice – seeing the lives of environmentally deprived residents through their own eyes. International Federation on Aging. Prague, Czechoslovakia.
- #19 Poster: Demystifying Person-Centred Care for people residing in long-term care facilities. Presented with LEIGH FORBES and RIANDI VAN DER MERWE – both community service therapists. OTASA. Umhlanga, South Africa.
- #18 Paper: Dignity through engagement: Exploring meaningful activities for Sesotho/Setswana elderly individuals in residential care units. Presented with WILMARIE BONING and RIANDI VAN DER MERWE both community service therapists. OTASA. Umhlanga, South Africa.
- #17 Paper: The value of community service learning for occupational therapy students at the UFS. Presented with ELIZE JANSE VAN RENSBURG, junior lecturer at UFS. OTASA. Umhlanga, South Africa.
- #16 Paper: An exploration of Dementia Care Mapping as a potential practice development tool for organisational use in South Africa. IAGG Africa Region Conference on Gerontology and Geriatrics. Cape Town, South Africa.
- 2011 #15 Paper: Dementia Care Mapping (DCM): feasible option for improving the quality of formal dementia care in a developing economy? Occupational Therapy Australia Conference 2011. Gold Coast, Australia.
- #14 Poster: The role of occupational identity in facilitating a scholarship of practise at undergraduate level. Occupational Therapy Australia Conference 2011. Gold Coast, Australia.
- #13 Paper: An Exploration of a Cultural Relevant Milieu for the Sesotho/Setswana Elderly Persons in Residential Care Units in the Free State. Occupational Science Conference. Plymouth, UK.
- 2010 #12 Poster: Using the Model of Human Occupation to Conceptualize an Occupational Therapy Program for Blind Persons in South Africa. American Occupational Therapy Association Conference. Orlando, USA.
- #11 Poster: A Model for Promoting an Appreciation of Research-Related Activities. World Federation of Occupational Therapy Congress. Santiago, Chile.
- #10 Paper: Flying the Flag for Overseas Placements. [Co-presented with ALICE SHIPMAN – B.Sc. OT (University of Southampton, UK), Basic grade occupational therapist, UK] World Federation of Occupational Therapy Congress. Santiago, Chile.
- 2009 #9 Paper: Changing our focus: an understanding of how caregivers perceive quality of life for residents with dementia. Co-presented with Corné Kotzé - B OT (UFS), senior occupational therapist, Master's student at UFS.

- Occupational Therapy Association of South Africa Congress. Port Elizabeth, South Africa.
- #8Paper: A Pilot Study to Examine the Appropriateness of Dementia Care Mapping as a Practice Development Tool in SA. Occupational Therapy Association of South Africa Congress. Port Elizabeth, South Africa.
- 2008 #7Co-presented in absentia: Creating the future by fostering a research culture during clinical education: an international collaboration. Presenter: Kerry Adam – clinical educator, University of Queensland. Occupational Therapy Association of Australia Conference. Melbourne, Australia.
- 2007 #6Paper: The contribution of person-specific programmes for enhancing well-being. 17th Alzheimer European Conference. Portugal.
- #5Paper: A South African perspective on the international classification of function, disability and health. Co-presented with C. Kotzé - B OT (UFS). Occupational Therapy Association of South Africa Congress. Pretoria, South Africa.
- 2006 #4Paper: Why don't South African occupational therapists publish? World Federation of Occupational Therapy Conference. Sydney, Australia.
- #3Poster: Intercontinental Placements between South Africa and England. World Federation of Occupational Therapy Conference. Sydney, Australia.
