Summary

Completed specialist training in endodontics in 2021 at the University of Adelaide and South Australian Dental Services. The DCLinDent program included 10 peer-reviewed journal articles and 1 book chapter.

Completed a PhD, which included 11 articles in peer-reviewed journals.

Recipient of multiple research and travel grants.

Awarded a Fellow of the Pierre Fauchard Academy – an international dental association that recognizes and supports leaders of the dental profession.

Active researcher actively presenting research findings, locally and internationally, at scientific meetings and publishing multiple scientific articles.

Active contributor to dental teaching, research, and philanthropy.

Developer of numerous dental phone applications.

Director of an endodontic supply company, Endogear Australia Pty Ltd.

Head of Endodontics at the University of Sydney, Sydney Dental School. Program lead for the Doctor of Clinical Dentistry (Endodontics).

Qualifications

Doctor of Clinical Dentistry (Endodontics)

School of Dentistry, University of Adelaide
Completed

2019-2021

Doctor of Philosophy (Endodontic Biomaterials),

School of Dentistry, University of Queensland
Transferred from MPhil in 2014

2014-2017

Completed credits towards a Master of Philosophy (Endodontic Biomaterials)

School of Dentistry, University of Queensland
Transferred to PhD in 2014

2011-2014

Graduate Certificate in Research Commercialisation,

School of Business, University of Queensland
GPA 6.25 out of 7 (High Distinction)

2011-2012

Bachelor of Dental Science,

School of Dentistry, University of Queensland
GPA of 5 out of 7 (Credit)
Transferred from BSc in 2004

2004-2007

Completed credits towards a Bachelor of Science

School of Science, University of Queensland
GPA of 6.75 out of 7 (High Distinction)

2003

Other Education

Comprehensive Systematic Review Training Program (Modules 1, 2, 3)

Joanna Briggs Institute, Adelaide

2019

The Oral Cavity

University of Pennsylvania, Online

2018

Materials in Oral Health

University of Hong Kong, Online

2018

Implant Dentistry

University of Hong Kong, Online

2018

Internal Auditor Training

SAI Global, Online

2014

Clinical and procedural skills

General dentist:

Focus: general dentistry and can include any activities within the definition of dentistry.

Services: assessment, diagnosis, treatment, management, prevention.

Patients: all ages.

Endodontist:

Focus: endodontics and can include any activities within the definition of endodontics.

Services: assessment, diagnosis, treatment, management, prevention.

Patients: all ages.

Work practice and history

Part-time Head of Endodontics, Associate Professor of Endodontics

Sydney Dental School, University of Sydney

01/09/2024-Present

Part-time Private Practice Endodontist

Sydney Endodontic Centre, Sydney

07/01/2025-Present

Full-time Head of Endodontics, Associate Professor of Endodontics

Sydney Dental School, University of Sydney

01/02/2022-01/09/2024

Part-time Clinical Educator (Endodontist)

Sydney Dental Hospital, New South Wales Health

01/02/2022-01/09/2024

Casual Honorary Lecturer

University of Queensland

01/01/2018-present

Casual Endodontic tutor for BDS students

Adelaide Dental School, University of Adelaide

01/02/2019-30/11/2021

Part-time Endodontic registrar

South Australia Dental Services, Adelaide Dental Hospital

01/02/2019-30/11/2021

Casual Tutor for BDSc students and BOH students

School of Dentistry, University of Queensland

01/02/2009-30/11/2011,

Part-time dental officer (limited to endodontics)

Caboolture Hospital, Redcliffe Hospital

01/02/2017-30/11/2018

Full-time general dentist

Brisbane, Queensland

15/12/2007-31/12/2018

Professional memberships

Australian Dental Association

Member

2007-present

Australian Society of Endodontology (ASE)

Member, Past President of Queensland Branch & State Representative

2008-present

International Association of Dental Traumatology (IADT)

Member

2008-present

Australian and New Zealand Society of Paediatric Dentistry (ANZSPD)

Member, Past President of Queensland Branch

2010-present

International Association of Dental Research (IADR)

Member

2013-present

Pierre Fauchard Academy

Fellow

2018-present

American Association of Endodontists (AAE)

Member

2018-present

Australian and New Zealand Association of Endodontists (ANZAE)

Member

2022-present

Royal Australasian College of Dental Surgeons

Member

2025-present

Past memberships

International Association of Dental Research (IADR)

2013-present

Australian Prosthodontic Society

2009-2018

Australian Sleep Association (Dental Section)

2010-2011

Fusion Dental Study Club

2017-2018

Cadmus Dental Study Club

Former member and former President

2008-2018

Awards and grants

Supervised University of Sydney DMD Colgate research grants

Group 2430, \$976.35	2025
Group 2309, \$2129.74	2024
Group 202529, \$2436.86	2023
Group 202512, \$592.73	2023

Graduate Student Scholarship: Terauchi File Retrieval Course, Sydney

Australian Dental Association	2020
-------------------------------	------

John Eustace Travel Award, Pan-Arab Endodontic Conference, Morocco

<i>University of Adelaide</i>	2020
-------------------------------	------

GO Lawrence Scholarship in Conservative Dentistry, Adelaide

<i>University of Adelaide</i>	2020
-------------------------------	------

ANZAE Education Grant: Torabinejad microsurgery course, Sydney

<i>Australian and New Zealand Academy of Endodontists</i>	2019
---	------

John Booth Travel Award: American Association of Endodontists Conference, Montreal, Canada

<i>Australian and New Zealand Academy of Endodontists</i>	2019
---	------

Postgraduate Research Grant

<i>Australian Society of Endodontology</i>	2016
--	------

JADR Travel Award: JADR conference, Fukuoka, Japan

<i>Japanese Association of Dental Research</i>	2015
--	------

ASE Postgraduate Research Grant

<i>Australian Society of Endodontology</i>	2014, 2011
--	------------

IADR Travel award: IADR-APR conference, Bangkok, Thailand

<i>International Association of Dental Research</i>	2013
---	------

Commercialisation Training Scheme Scholarship, GCResComm

<i>UQ & Commonwealth Government of Australia</i>	2011
--	------

Fellow of the Pierre Fauchard Academy

This title is given to dentists who have illustrated leadership and furthering the knowledge and standards of the dental profession.

<i>Pierre Fauchard Academy (International)</i>	2018
--	------

Poster Presentations

Fatheih S, Abasseri T, Ha W. **Dimensional analysis of maxillary anterior crowns: A systematic review.** *Meeting of the International Association of Dental Research - Australia New Zealand Region.* 2023; Sydney, Australia.

Su S, Ha W, Kalantar M. **Endodontic-related extrusion into the inferior alveolar nerve: A systematic review.** *Meeting of the International Association of Dental Research - Australia New Zealand Region;* Sydney, Australia

Elkholy MMA, Ha WN. **Teachability, perspective, confidence, and procedural errors of ACT compared to single-length technique among endodontic interns.** *American Association of Endodontists Annual Meeting.* 2022; Phoenix, USA.

Ha WN, Tucker B. **A systematic review of pulp capping agents in dogs.** *Pan-Arab Endodontic Conference.* 2020; Marrakesh, Morocco.

Loo DSS, Choy C, Quigley NP, Ha WN. **Efficacy of bonding to zirconia – a systematic review.** *Meeting of the International Association of Dental Research - Australia New Zealand Region.* 2019; Brisbane, Australia.

Ha WN, Kahler B, Walsh LJ. **Dental material choices for pulp therapy by ANZSPD members.** Poster presented at the *World Congress on Dental Traumatology.* 2016; Brisbane, Australia.

Ha WN, Duckmanton P, Kahler B, Walsh LJ. **Survey on the usage of MTA by members of the ASE.** Poster presented at the *Annual Meeting of the Japanese Association of Dental Research.* 2015; Fukuoka, Japan.

Ha WN, Nicholson T, Kahler B, Walsh LJ. **Rheology of MTA.** Poster presented at the *Meeting of the International Association of Dental Research - Australia New Zealand Region.* 2015; Dunedin, New Zealand.

Ha WN, Bentz DP, Kahler B, Walsh LJ. **Setting time of MTA.** Poster presented at the *Meeting of the International Association of Dental Research - Australia New Zealand Region.* 2014; Brisbane, Australia.

Shakibaie F, Ha WN, Kahler B, Walsh LJ. **Deconvolution of the particle size distribution of MTA.** Poster presented at the *Meeting of the International Association of Dental Research - Australia New Zealand Region.* 2014; Brisbane, Australia.

Ha WN, Kahler B, Walsh LJ. **Storage of MTA.** Poster presented at the *Meeting of the International Association of Dental Research – Asia Pacific Region.* 2013; Bangkok, Thailand.

Ha WN, Kelloway E, Farah CS. **An audit of Australian paediatric oral and maxillofacial pathology.** Poster presented at the *Australian Dental Congress*. 2011; Brisbane, Australia.

Teaching and teaching-related activities (2022-present)

Teaching into multiple units and year levels

Dent 6417, Dent 6418, Dent 6434: First delivery of all units, i.e., Seminars delivered. Students were supervised in the clinics.

Dent 6389: Orofacial Pain 1: Co-hosted 2 meetings. Attended all meetings.

Contributed to lecture schedule (2 endodontic topics)

Sddm 5215, Sddm 5225, Sddm 5325, Sddm 5425: Checked lectures to be delivered by lecturers. Delivered lectures,

Developing and marking assessment tasks

Dent 6417, Dent 6418, Dent 6434: First delivery of unit of study, creation of midsemester exams Dent 6389: Orofacial Pain 1: Marked presentations, research proposals and reviews for DClindent students.

Sddm 6216, Sddm 5226. Marked 3 research projects

Sddm 5225, Sddm 5325, and Sddm 5425: new exam questions based on the lectures.

Developing and coordinating of blocks of teaching

Development of DClindent Endodontics program. The program was deemed satisfactory by the Australian Dental Council and has maintained accreditation.

Dent 6417, Dent 6418, Dent 6434: Seminars developed and delivered

Sddm 5215, Sddm 5225, Sddm 5325, and Sddm 5425: Lecture content was given an overhaul with new learning objectives and new exam questions based on the lectures.

Other work

Academic positions

International Association for Dental Traumatology

Website committee member

2023-present

International Federation of Endodontic Associations

Sydney 2026 meeting, Scientific Chair

2023-present

Australia and New Zealand DClindent Monthly Academic Webinars

Facilitator (Lecturer)

2021-present

Deputy Editor in Chief / Former Associate Editor

European Endodontic Journal

2020-present

PhD thesis examiner

Griffith University

2025

External examiner for DClindent students

University of Western Australia

2024

International Association for Dental Research

Australia/NZ division, Sydney meeting committee member

2023

Co-representative of Doctor of Clinical Dentistry students at the University of Adelaide

Representative

2019

Society and study clubs

Committee member of the Queensland branch of the Australian and New Zealand Society of Paediatric Dentistry

President

2018-2019

Committee member of the Queensland branch of the Australian Society of Endodontology

President and Queensland representative. Former secretary/treasurer

2016-2019

Committee member of the Cadmus Dental Study Group

President, vice president, and secretary.

2010-2013

Other educational roles

Vietnamese translation of the International Association of Dental Traumatology guidelines for dental trauma

Co-translator and published on the IADT website

2017, 2020

Convener for presentations at ANZSPD National meeting at the Gold Coast

Convening presentations for Assoc. Prof Bill Kahler

2018

Multi-society event for graduating dental students (UQ and Griffith University)

Hosted events for students to introduce them to the Queensland branches of the dental societies (ANZSPD, ASO, ASE, APS, ASP, ANZAOMS, AOS, FRACDS)

2016, 2017, 2018

Endodontic Workshop with DentsplySirona (University of Adelaide)

Hosted events for students to introduce them to DentsplySirona endodontic equipment

2020-2021

Clinical volunteering

Team Philippines

I traveled to Calauan in the Philippines to join a project by the University of Notre Dame and Barney's Church (Ultimo, Sydney), where a team of doctors, dentists, and student clinicians provide free medical and dental care. December 2017

Fusion Study Club – Philanthropic arm

Co-organized a group of 7 dental clinicians from Australia to travel to Nepal and provide free dental care in remote areas in the Kaski and Chitwan regions. April 2017

SmileHigh

Provided free dental care in the Everest, Langtang, and Dolkha regions in Nepal. March 2008, October 2010, October 2015

Tzu Chi Dental

Provided free dental care for refugees in government clinics April 2006, October 2009

Registration history

Registered with AHPRA: DEN0000977296

General Dentist since December 2007

Specialist in Endodontics since December 2021
