EDUCATIONAL QUALIFICATIONS

- 2002 Doctor of Philosophy, Centre for Clinical Epidemiology and Biostatistics, University of Newcastle, Australia.
Thesis entitled "*Home hazards and falls prevention in home-based health assessments for older people in the community*".
- 1995 Master of Educational Studies, University of Newcastle, Australia.
- 1994 Bachelor of Educational Studies, University of Newcastle, Australia.
- 1989 Bachelor of Applied Science (Occupational Therapy), Curtin University of Technology, Perth, Australia
- 1981 Diploma of the College of Occupational Therapists, Derby School of Occupational Therapy, UK.

SCHOLARSHIPS

- 1998– 2001 Public health postgraduate research scholarship – National Health and Medical Research Council

EMPLOYMENT

- 2012 ongoing Full time Associate Professor, Occupational Therapy, Faculty of Health Sciences, University of Sydney.
- 2007-2016 Course Director, Master of Occupational Therapy.
- Jul-Sept 2014 Visiting Professor, Occupational Therapy, Brunel University, London, UK.
- Oct-Nov 2014 Visiting Professor, Faculty of Medicine, University of Malaya, Malaysia.
- 2012 – 2014 Head of Occupational Therapy Discipline, Faculty of Health Sciences, University of Sydney.
- Jan 2012 Promotion to Associate Professor
- 2006 – 2011 Full time Senior Lecturer, Occupational Therapy, Faculty of Health Sciences, University of Sydney
Course Director, Master of Occupational Therapy
- 2006 ongoing Conjoint Senior Lecturer, School of Health Sciences, Faculty of Health, University of Newcastle
- Oct – Dec 2010 Visiting Scholar, Faculty of Clinical Therapies, University of Limerick, Ireland
- Jul – Sept 2010 Visiting Scholar, Research Centre for Gender Health & Ageing, University of Newcastle
- 2005 – 2006 Head & Program Convenor, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle
- 2004 – 2005 Full time Senior Lecturer, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle

| | |
|-------------------|--|
| Jan 2004 | Promotion to Senior Lecturer |
| Sept-Dec 2003 | Visiting Professor, School of Rehabilitation Sciences, MacMaster University, Hamilton, Canada |
| Sept-Dec 2003 | Visiting Scholar, Glaxo-Welcome Clinical Education Centre, Queens University, Kingston, Canada |
| 2002–Aug 2003 | Head and Program Convenor, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle |
| Jul- Dec 2001 | Full time Lecturer, Occupational Therapy, Faculty of Medicine & Health Sciences, University of Newcastle |
| Dec 1998–Jun 2001 | 0.2 FTE Lecturer, Occupational Therapy, Faculty of Medicine & Health Sciences, University of Newcastle |
| Dec 1998–Jun 2001 | Full time PhD student |
| Jan-Jul 1998 | Visiting Scholar, Queen Margaret University, Edinburgh, UK |
| Jul 1991–Dec 1998 | Full time Lecturer, Occupational Therapy & Clinical Fieldwork Co-ordinator, Faculty of Medicine & Health Sciences, University of Newcastle |

Previous Clinical Experience

| | |
|-------------------|--|
| 2009–2012 | Daily Design (Medico-Legal Reporting Private Practice, Newcastle, NSW), Casual Occupational Therapy Medico-legal Assessor |
| Jul–Aug 2003 | West Lothian Council, Social Services Department, Scotland, UK, Locum Senior Occupational Therapist (Corinth Medical 6 weeks): |
| Dec 1999–Jan 2000 | Royal Borough of Kingston, Social Services Department, London, UK, Locum Senior Occupational Therapist (Countrywide Medical Services 7 weeks): |
| Jan–Feb 1998 | Cromwell Private Hospital, London, UK, Locum Senior Occupational Therapist (Corinth Medical 3 weeks): |
| Apr 1990–Jun 1991 | Maitland Hospital, NSW, Australia, Grade 3 Occupational Therapist-in-Charge: |
| Oct 1987–Apr 1990 | Home Modifications Service, Newcastle, NSW, Australia Grade 2 Occupational Therapist: |
| Feb-Sept 1987 | Hunter Equipment Service, Newcastle, NSW, Australia, Grade 1 Occupational Therapist: |
| Jun 1986–Jan 1987 | Royal Newcastle Hospital, NSW, Australia, Grade 1 Occupational Therapist, Orthopaedics: |
| Jun 1984–May 1986 | Wimbledon Social Services, London Borough of Merton, UK, Scale 6 Occupational Therapist: |
| Jun 1983–Jun 1984 | Nether Edge Day Hospital, Sheffield, UK, Senior II upgraded to Senior I position: |
| Aug 1981–Jun 1983 | Northern General Hospital, Sheffield, UK, Basic Grade rotational position. |

AWARDS

- 2020 Prize for best poster at ehealth Sydney 2020 (Feb 11).
- 2019 University of Sydney, Vice Chancellors award for Excellence in Teaching and Research.
- 2019 Senior Fellowship, Higher Education Academy (SFHEA).
- 2019 Nominated for the NSW Woman of the Year award.
- 2018 Faculty of Health Sciences award for Excellence in Higher Degree Supervision.
- 2017 Award of Fellow of the Occupational Therapy Australia Research Academy.
- 2014 Nominated for the OT Australia Sylvia Docker Award.
- 2013 Office for Learning and Teaching, Citation for Outstanding Contributions to Student Learning, Australian Awards for University Teaching
- 2012 Faculty of Health Sciences Award for Excellence in Teaching, University of Sydney

Last promotion

- 2009 Faculty of Health Sciences, student nominated award for Excellence in Teaching, University of Sydney.
- 1993 Award for Excellence in Teaching, University of Newcastle
- 1992 Betty McIntyre award for an outstanding contribution to the Occupational Therapy profession in the Hunter Region, Hunter Occupational Therapy group

RESEARCH GRANT REVIEW

- An exploration of occupation and technology for older people in extra care housing. (2019). UK Occupational Therapy Research Foundation grant.
- Development and feasibility of a carer and volunteer-led intervention to prevent secondary falls among people affected by dementia (2018). Alzheimer's Society, UK.
- Sustained employability in cancer patients and their partners (2018). KWF Kankerbestrijding (Dutch Cancer Society).
- Reducing falls in people with knee osteoarthritis (2012) NH&MRC Project Grant
- Rhetoric or reality – quality of life in palliative care settings: a three phase study. Palliative Care Research Program (2004) NH&MRC
- Prevention of Injuries in Older People. Research Partnership Grants: Injury (2000) NH&MRC
- Preventing patient falls in nursing practice using Receiver Operating Characteristic analysis of a tool to predict falls (2000) NH&MRC Project Grant.
- The effect of staff education on the incidence and sequelae of patient falls in an acute hospital (2000). NH&MRC Project Grant.
- Utilization of environmental interventions among older persons with disabilities (1999) NH&MRC Project Grant
- The effectiveness of a community-based program for reducing the incidence of falls among the elderly: A randomized trial. (1999) NH&MRC Project Grant.

Other:

- Invited to review a Cochrane review *Multifactorial and multiple component interventions for preventing falls in older people living in the community*.
- 2020 – Accepted as an ARC grant reviewer.

RESEARCH STUDENT SUPERVISION

| PHD – awarded | | | | |
|-------------------------|---------------------------------|---|-----|------|

BOOK REVIEW

- 2020 Invited to review chapter on population health for Occupational Therapy in Australia (second edition)
- 2020 Invited to review a book proposal for an International Handbook of Occupational Therapy by Routledge publishers.

PLENARY AND INVITED ADDRESSES

| International | | |
|----------------------|---|--|
| Jan 2021 | Keynote: A New Frontier for Occupational Therapy Practice: Cancer Survivorship. | Hong Kong Occupational Therapy Association Conference |
| July 2018 | Workshops on cognition changes following cancer diagnosis and treatment and assessments used. | Fudan University Shanghai, China |
| May 2018 | Research Institute World Café session | World Federation of Occupational Therapists Congress, Cape Town, S.A. |
| March 2016 | International research priorities for Occupational Therapy | World Federation of Occupational Therapists Council Meeting, Columbia. |
| November 2014 | Meeting the needs of older people with cancer: Home adaptations | Training for Keepable Cancer Centre staff, University of Malaya. |
| November 2014 | Falls prevention in primary care: A Sydney perspective | Clinical Symposium, Faculty of Medicine, University of Malaya |
| November 2014 | Ageing research at the University of Sydney | Ageing meeting, Faculty of Medicine, University of Malaya |
| October 2014 | An introduction to home assessment for older people at risk of falls | Geriatric Trainee Education, Faculty of Medicine, University of Malaya |
| October 2014. | The Home Falls and Accidents Screening Tool. Invited presentation | Khoo Tech Puat Hospital, Geriatric Department, Singapore, |
| October 2014 | The Home Falls and Accidents Screening Tool. Invited presentation, | National University of Singapore Hospital, Geriatric Department, |

| | | |
|----------------|--|---|
| | | Singapore, |
| October 2014 | Home hazards assessment. Invited presentation, | Johor Regional Geriatric Conference, Newcastle University Faculty of Medicine Johor, Malaysia |
| September 2014 | How well are we preventing falls? The role of primary falls prevention in the community. Invited public lecture, | Trinity University, Dublin, Ireland |

Last promotion

| | | |
|---------------|---|--|
| November 2010 | The Home Falls and Accidents Screening Tool. Invited Workshop | University of Limerick, Ireland |
| October 2010 | Working with GPs to develop a primary care approach to falls prevention. Invited Masterclass | Brunel University, London, UK |
| October 2010 | Talking an international language about falls prevention: Using the International Classification of Functioning, Disability and Health (ICF) to promote OT interventions. Invited Masterclass | Brunel University, London, UK |
| June 2010 | Occupational therapy research focused on ageing. Invited presentation | Australian/Malaysian Medical Research Colloquium, Kuala Lumpur, Malaysia |
| October 2005 | Assessing assessments. Invited workshop | Evidence based Falls Management Study Day, University College of Ripon & St. John, York, U.K. |
| October 2005 | The Home Falls and Accidents Screening Tool (HOME FAST): An evidence-based tool to measure home environmental falls risk. Invited keynote address, | Evidence based Falls Management Study Day, University College of Ripon & St. John, York, U.K. |
| August 2004 | The Home Environment and Falls: The Evidence Supporting the Use of the Home Falls and Accidents Screening Tool (HOME FAST). Invited keynote address. | Inaugural National Occupational Therapy Falls Conference, University Hospitals of Leicester NHS Trust, U.K |
| December 2003 | Rehabilitation Sciences at the University of Newcastle, Australia. Invited presentation | MacMaster University School of Rehabilitation Sciences, Hamilton, Canada |
| November 2003 | The Home Falls and Accidents Screening Tool. Invited presentation, | University of Western Ontario, London, Canada |
| November 2003 | Adapting a professional curriculum to incorporate a distance learning program: An Australian experience. Invited public lecture, | University of Manitoba, Winnipeg, Canada |
| November 2003 | Evidence for the environmental contributors to falls prevention and | University of Manitoba, Winnipeg, Canada |

| | | |
|------------------|---|--|
| | the use of the Home Falls and Accidents Screening Tool. Invited workshop, | |
| November 2003 | Health professional students with a disability and fieldwork. Invited presentation to clinical educators, | University of Manitoba, Winnipeg, Canada, |
| November 2003 | Consuming passions? Getting the right “diet” as consumers of evidence in the health professions. Invited keynote address | Final year occupational therapy research conference, Queens University, Kingston, Canada |
| October 2003 | Falls prevention in the elderly. Invited public lecture | Clinical Education Centre, Queens University, Kingston, Canada |
| October 2003 | Designing learning experiences to facilitate the integration of theory and practice for health professional students. Invited workshop. | Clinical Education Centre, Queens University, Kingston, Canada, |
| October 2003 | Statistics for the terrified. Invited lecture to post-graduate rehabilitation science students., | Queens University, Kingston, Canada |
| October 2003 | Environmental contributors to falls risk. Invited research presentation to Occupational Therapists | Queens University, Kingston, Canada |
| October 2003 | Health professional students with a disability and fieldwork. Invited presentation to clinical educators. | Queens University, Kingston, Canada |
| October 2003 | Environmental contributors to falls risk. Invited presentation. | MacMaster University Faculty Research Rounds, Hamilton, Canada |
| October 2003 | Introducing indigenous issues to occupational therapy students in a remote rural context. Invited seminar | Queens University, Kingston, Canada |
| July 2003 | The Home Falls and Accidents Screening Tool. Invited presentation | Oxfordshire Regional OT group meeting, Oxford, U.K, |
| July 2003 | Evidence for environmental contributions to falls risk. Invited presentation. | Education meeting for Geriatric Medicine, Royal Victoria Infirmary, Newcastle, UK |
| September 2002 | Quality: Reflections of an inexperienced course leader. Invited presentation | World Congress of Occupational Therapists, Education Day, Sweden |
| July 1996 & 1997 | Invited to develop and present two PG courses: Modifications to the home environment | Occupational Therapy Dept, Otago Polytechnic, New Zealand |

National and local

| | | |
|---------------|-----------------------------------|--------------------------------------|
| November 2020 | Supporting carers of older people | Mental Health Professional's Network |
|---------------|-----------------------------------|--------------------------------------|

| | | |
|----------------|---|---|
| March 2020 | Assessment and management of falls risk in primary care | Aus.Doc Education: Falls and fracture prevention workshop. |
| October 2019 | Occupational Therapy in cancer care a consumer perspective | Allied Education Group |
| January 2019 | Returning to work after cancer diagnosis | University of Sydney Cancer Research Network |
| March 2019 | Cognition and cancer survivorship | Chemotherapy-induced peripheral neuropathy Cancer Institute NSW Translational Program Grant meeting |
| December 2018 | What is an expert? | OT Australia National Medico-Legal Interest Group, Sydney. |
| November 2018 | Invited to be a “Star” for the Breakfast with the Stars event. | Australian Association of Gerontology Conference, Melbourne. |
| November 2018 | Invited to contribute to a panel discussing “Allied health are the key to transforming health.” | Allied health symposium, North Sydney Local Health District. |
| May 2017 | The iSOLVE project: Establishing pathways to implement and sustain evidence based falls prevention in primary care: An update | Northern Sydney LHD, Sarcopenia and falls prevention seminar, Sydney. |
| April 2016 | Working collaboratively to address the social and emotional wellbeing of older LGBTI people: Panel webinar. | Mental Health Professional's Network |
| September 2015 | Assessment and intervention: What OTs should know about falls. Part 1: Assessment | Occupational Therapy Australia Ltd, National webinar |
| September 2015 | Assessment and intervention: What OTs should know about falls. Part 2: Intervention | Occupational Therapy Australia Ltd, National webinar |
| May 2015 | Falls prevention in home- based health assessments for older people in the community | Empower Nurse Education, Aspects of Aged Care conference, Newcastle, NSW. |
| August 2013 | Falls prevention in primary health care | Dept of Allied Health, Central Queensland University |
| November 2012 | Doing practice well as new graduates | Final year students conference, University of Sydney Central Queensland University |

Last promotion

| | | |
|----------------|---|---|
| July 2010 | Can the International classification of functioning, Disability & Health (ICF) be used as a framework to explain falls in older Australian women? Invited paper for a health psychology symposium. | 27 th International Congress of Applied Psychology, Melbourne (2010) |
| September 2009 | 2020 Vision: The Future in Sight. Invited Panel Member Discussant. | Inaugural NSW-ACT OT Australia Conference, Sydney |

| | | |
|----------------|---|--|
| October 2008 | Environmental factors in falls prevention – challenges and solutions. Invited workshop. | Falls prevention (ANZFP) Conference, Melbourne |
| August 2006 | Am I a researcher? Getting the right fit. Invited presentation, | Hunter New England Health, Allied Health Research Forum, John Hunter Hospital, Newcastle |
| July 2005 | Looking forward, Looking back. Invited keynote address | Hunter Occupational Therapy Day, James Fletcher Hospital, Newcastle |
| April 2005 | Critically appraised topic – aged care. Invited panel member, | OT Australia NSW, Sydney |
| April 2003 | Occupational therapy students with a disability – perspective of a Head of an OT program. Invited panel presentation. | OT Australia Academic Forum, Geelong, Vic. |
| July 2002 | Supervising students experiencing difficulties. Invited workshop. | Hunter Occupational Therapists' Education Day, Newcastle |
| July 2002 | Introduction to the International Classification of Functioning. Invited workshop. | Hunter Occupational Therapists' Education Day, Newcastle |
| July 1997 | Developed and presented “Designing Assessment Tools” course | Hunter Occupational Therapy Group |
| September 1996 | Reflections on fieldwork supervision. Staff development workshop, | Centre for Learning and Teaching (CALT). University of Newcastle |
| August 1996 | Innovative Fieldwork Supervision Strategies. Special Fieldwork Interest Workshop, | NSW Fieldwork Co-ordinators Group, University of Sydney. |
| August 1995 | Cultural Issues. Special Fieldwork Interest Workshop, | NSW Fieldwork Co-ordinators Group, University of Sydney |

OTHER EXTERNAL INVITATIONS

| | | |
|---------------|--|----------------------------------|
| December 2020 | External assessor for promotion to Associate Professor | Hong Kong Polytechnic University |
| May 2020 | External assessor for promotion application to Senior Lecturer | Southern Cross University |
| October 2019 | External assessor for promotion application to Senior Lecturer | Curtin University, Perth |
| Sept 2019 | External assessor for promotion application to Associate Professor | Flinders University, Adelaide |
| August 2018 | External assessor for promotion application to Associate Professor | La Trobe University |
| August 2019 | Panel for review of School of Rehabilitation Sciences, University of Queensland. | University of Queensland |

| | | |
|--------------|--|--------------------------------|
| October 2016 | Course Review Panel Member for review of Bachelor of Applied Science and Master of Occupational Therapy Practice | La Trobe University, Melbourne |
|--------------|--|--------------------------------|

Last promotion

| | | |
|----------------|---|---|
| September 2003 | External reviewer for the Course Review of the Occupational Therapy program | James Cook University, Townsville. |
| March 2003 | Invited to review a PBL program for publication as part of the Problem-Based Learning Peer Review Course Portfolio Project, | Centre for Problem-Based Learning, Samford University, Birmingham, AL, USA |
| November 2002 | Selected by the University of Newcastle as a member of the Problem-Based Learning Panel | Australian Universities Quality Assurance (AUQA) review process at Newcastle. |
| July 2002 | Development of a Problem Based Learning Masters Entry course. | Occupational Therapy staff, La Trobe University Melbourne |

PROJECTS AND CONSULTANCIES

| | | |
|---------------|---|---|
| Current | Development of Text Book on Home Assessment | Clemson, L., Mackenzie, L & Lannin, N. |
| Current | Consultancy with the Malaysia Elderly Longitudinal Study (MeLOR) | University of Malaya |
| Current | Consultancy with the Malaysian Falls prevention Study (MyFAIT). | University of Malaya |
| Current | External academic advisor for the occupational therapy program | Tung Wah College, Hong Kong |
| March 2003 | Invited to review a PBL program for publication as part of the Problem-Based Learning Peer Review Course Portfolio Project, | Centre for Problem-Based Learning, Samford University, Birmingham, AL, USA |
| November 2002 | Selected by the University of Newcastle as a member of the Problem-Based Learning Panel | Australian Universities Quality Assurance (AUQA) review process at Newcastle. |
| July 2002 | Development of a Problem Based Learning Masters Entry course. | Occupational Therapy staff, La Trobe University Melbourne |
| 1999-2001 | Falls Prevention Discharge Project | Hunter Centre for Health Advancement |
| 1996-1997 | Safe Homes for Older People (SHOP) program for the Polish community | Hunter Centre for Health Advancement |
| 1996-1998 | Safe Homes for Older People (SHOP) program: Training materials for volunteers | Hunter Centre for Health Advancement |

| | | |
|-----------|--|--|
| 1994 | Training in transferring and handling people with disabilities for respite carer training | Mayfield Community Centre, Newcastle |

| January 2014 | Article: Private health insurance rebates restrict consumer choice. Willis, K., Mackenzie, L., & Lincoln, M. | The Conversation |
| August 2013 | Occupational Therapy and falls prevention | National ABC radio, Rockhampton |
| February 2007 | Findings from the aging component of the Women's Health Australia Study | The Age, Melbourne |
| April 2002 | Interviews about the Fall Proofing program. | National ABC radio and 2NUR FM radio |
| February 2002 | Article about the Fall Proofing Program | The Post, Newcastle |
| Sept 1999 | Interview about aging and falls | National ABC radio |
| October 1994 | OT week interview – | 2NUR FM radio, Newcastle |
| October 1992 | OT week interview | NBN Television, Newcastle |

PEER REVIEWED CONFERENCE PRESENTATIONS

INTERNATIONAL

1. Clemson, L., **Mackenzie, L.**, Lovitt, L., Lovarini, M., & Roberts, C. *The iSOLVE implementation project: Integrated SOLutions for sustainable fall preVEntion in primary care*. Podium presentation. 1st World Congress on Falls and Postural Instability, Kuala Lumpur, Malaysia, 4-7 December, 2019.
2. **Mackenzie, L.**, Vân, L., Cusick, A. *Application of the HOME Falls and Accidents Screening Tool for international use: Focus on adapted Southeast Asian use in Vietnam*. Podium presentation. 1st World Congress on Falls and Postural Instability, Kuala Lumpur, Malaysia, 4-7 December, 2019.
3. **Mackenzie, L.**, Clemson, L., Liddle, J., & Tan, A. *Making falls prevention routine in general practice: Perspectives of general practitioners*. Podium presentation. 1st World Congress on Falls and Postural Instability, Kuala Lumpur, Malaysia, 4-7 December, 2019.
4. **Mackenzie, L.**, McGrath, M., DuToit, S., & Fang, Y. *An online platform for the Home Falls and Accidents Screening Tool (HOME FAST)*. Poster presentation. 1st World Congress on Falls and Postural Instability, Kuala Lumpur, Malaysia, 4-7 December, 2019.
5. **Mackenzie, L.**, Lovarini, M., Clemson, L., & Tan, A. *Falls prevention in primary health care: Perspectives of occupational therapists and other allied health professionals*. Podium presentation. World Federation of Occupational Therapists Congress, Cape Town, South Africa, 22-25 May (2018).
6. **Mackenzie, L.** *Global research priorities: Building a future together*. Invited presentation for World Café Research Institute session. World Federation of Occupational Therapists Congress, Cape Town, South Africa, 22-25 May (2018).
7. Arblaster, K., **Mackenzie, L.**, Matthews, L., Willis, K., Gill, K., Hanlon, P., & Laidler, R. *Educating students to support recovery: Consumers' priorities for recovery-oriented mental health curricula*. Podium presentation. World Federation of Occupational Therapists Congress, Cape Town, South Africa, 22-25 May (2018).
8. Lewis, J., **Mackenzie, L.**, & Black, D. *Workforce participation of Australian women with breast cancer*. Poster presentation. World Federation of Occupational Therapists Congress, Cape Town, South Africa, 22-25 May (2018).
9. Arnold, S., **Mackenzie, L.**, Millington, M., James, C. *Medicolegal determination of domestic care: the impact of culture*. Poster presentation. World Federation of Occupational Therapists Congress, Cape Town, South Africa, 22-25 May (2018).
10. Passos, C., Filho, J., Bazenella, N., Vojicechowsk, A., **Mackenzie, L.**, & Gnomes, A. *Questionário De Fatores De Riscos Residenciais Relacionados A Quedas De Idosos: HOME FAST Brasil Versão Autorrelatada – Estudo Piloto*. Poster presented at XXVIII Jornada Paranaense de Geriatria Gerontologia, Brazil, 2-3 March (2018).
11. Lightfoot-Collins, S., & **Mackenzie, L.** *Client perceptions of the effectiveness of home modifications*. Podium presentation, Asia Pacific Occupational Therapy Symposium, Taipei, Taiwan, 20-22 October (2017).
12. **Mackenzie, L.**, Tan, M., Jaafar, H., & Sumaiyah, M. *Perceptions of family physicians about falls risk screening, falls risk assessment, and referral*

- practices for falls prevention in Malaysia*. Podium presentation, Asia Pacific Occupational Therapy Symposium, Taipei, Taiwan, 20-22 October (2017).
13. **Mackenzie, L.**, Clemson, L., Price, T., O'Connor, C., & Lovarini, M. *An evaluation of the practice of allied health practitioners in relation to community-based falls prevention interventions*. Podium presentation, Asia Pacific Occupational Therapy Symposium, Taipei, Taiwan, 20-22 October (2017).
 14. **Mackenzie, L.**, & the WFOT Research Group. *Exploring international research priorities for occupational therapy*. Podium presentation, Asia Pacific Occupational Therapy Symposium, Taipei, Taiwan, 20-22 October (2017).
 15. Norfazilah, K., Romli, M., Sumaiyah, M., Hassif, J., Saedon, N., Mazila, M., Tan, M., & **Mackenzie, L.** *HOME FAST home hazard assessments in the Malaysian Falls Assessment and Intervention Trial (MyFAIT)*. Poster presentation. Malaysian Society of Geriatric Medicine 13th National Conference, Kuala Lumpur, 17-18 August (2017)
 16. Chiew, R., Tan, S., Romli, M., Goh, H., Tan, J., Kamaruzzaman, S., **Mackenzie, L.**, Tan, M. *Can fall calendars capture falls among urban community-dwelling older Malaysians?* Poster presentation. Malaysian Society of Geriatric Medicine 13th National Conference, Kuala Lumpur, 17-18 August (2017)
 17. Tan, P., Chiew, R., Tan, S., Romli, M., Goh, C., Kamaruzzaman, S., **Mackenzie, L.**, & Tan, M. *Falls diaries or self-report? A comparison of reporting methods on fall outcomes: Findings from the Malaysian Falls Assessment and Intervention Trial (MyFAIT)*. Poster presentation. Malaysian Society of Geriatric Medicine 13th National Conference, Kuala Lumpur, 17-18 August (2017)
 18. McIntyre, A., **Mackenzie, L.**, & Harvey, M. *Engagement of general practitioners in falls prevention assessment and referral to occupational therapists. Insights from a NHS England-wide survey of GPs*. Podium presentation. Royal College of Occupational Therapists 41st Annual Conference, Birmingham, UK 19-20 June 2017.
 19. **Mackenzie, L.**, & McIntyre, A. *Engaging general practitioners in falls prevention: A pilot survey of general practitioners in NHS England*. Poster presentation. Council of Occupational Therapists for European Countries (COTEC) and European Network of Occupational Therapy in Higher Education (ENOTHE) Congress, Galway, Ireland, 15-19 June 2016.
 20. **Mackenzie, L.** *Defining the role of occupational therapy in cancer survivorship: British and Irish perspectives*. Podium presentation. Council of Occupational Therapists for European Countries (COTEC) and European Network of Occupational Therapy in Higher Education (ENOTHE) Congress, Galway, Ireland, 15-19 June 2016.
 21. **Mackenzie, L.**, and the WFOT Research Group. *Exploring international research priorities for occupational therapy*. Podium presentation. Council of Occupational Therapists for European Countries (COTEC) and European Network of Occupational Therapy in Higher Education (ENOTHE) Congress, Galway, Ireland, 15-19 June 2016.
 22. **Mackenzie, L.**, Clemson, L., & Tan, A. *Preventing falls in the community by engaging with general practitioners in evidence-based falls prevention screening, assessment and interventions: The iSOLVE project*. Podium

- presentation. 10th International Association of Gerontology and Geriatrics – Asia/Oceania Congress, Chiang Mai, Thailand, 19-22 October (2015).
23. Romli, M., **Mackenzie, L.**, Tan, M.P., Lovarini, M., & Clemson, L. *Home hazards evaluation for falls in older people: Non-clinical raters' experience*. Podium presentation. 10th International Association of Gerontology and Geriatrics – Asia/Oceania Congress, Chiang Mai, Thailand, 19-22 October (2015).
 24. Romli, M., **Mackenzie, L.**, Tan, M.P., Lovarini, M., & Clemson, L. *Use of the Home Falls and Accidents Screening Tool (HOME FAST) by Malaysians without a health background*. Podium presentation. 6th Asia Pacific Occupational Therapy Congress, Rotorua, New Zealand, 14-17 September, 2015.
 25. **Mackenzie, L.** *Reflections of occupational therapy students about their experience of an Indigenous health module*. Podium presentation. 6th Asia Pacific Occupational Therapy Congress, Rotorua, New Zealand, 14-17 September, 2015.
 26. **Mackenzie, L.** *The first year of practice following graduation from an Australian Graduate Entry Master's program: Five years of follow-up survey findings*. Podium presentation. World Federation of Occupational Therapists Congress, Yokohama, Japan, 18-21 June (2014).
 27. Arblaster, K., **Mackenzie, L.**, & Willis, K. *Pedagogical practices that support consumer participation in mental health education: A structured review of the literature*. Podium presentation. World Federation of Occupational Therapists Congress, Yokohama, Japan, 18-21 June (2014).
 28. **Mackenzie, L.**, Hinitt, J., & Lee, V. *Australian occupational therapy students' understanding of Indigenous health and the needs of Indigenous clients*. Poster paper. World Federation of Occupational Therapists Congress, Yokohama, Japan, 18-21 June (2014).
 29. Coniglio, F., Honey, A., & **Mackenzie, L.** *Dual diagnosis recovery: Integrating multiple processes of recovery into service provision*. III International Congress of Dual Disorders, Addictions and other Mental Disorders, Barcelona, Spain, 23-26 October (2014).
 30. **Mackenzie, L.**, & Clifford, A. *The application of technology in the home for falls prevention: Perceptions of Irish and Australian older people*. Podium presentation, 20th IAGG World Congress of Gerontology and Geriatrics, Seoul, Korea, June 23-27 (2013).
 31. Clifford, A., Hopkins, E., **Mackenzie, L.**, & Nelson, J. *The perceptions of general practitioners on falls prevention and the role of technology*. Poster presentation, International Society for Posture and Gait Research Congress, Trondheim, Norway. June 24-28 (2012).

Last promotion

32. **Mackenzie, L.**, Byles, J., Gibson, R., Ward, J. *Falls leading to fractured hip experienced by older people living in residential care in Australia*. Poster presentation, World Federation of Occupational Therapists Congress, Santiago, Chile (2010)
33. **Mackenzie, L.**, Mehraban, A., Byles, J., & Gibson, R. *Can the International Classification of Functioning, Disability and Health (ICF) be used as a framework to explain falls in older Australian women?* Podium presentation,

World Federation of Occupational Therapists Congress, Santiago, Chile (2010)

34. **Mackenzie, L.**, Mehraban, A., Byles, J., & Gibson, R. *Mapping factors associated with falling to the International Classification of Functioning*. Poster presentation, XIXth IAGG World Congress of Gerontology and Geriatrics, Paris (2009)
35. **Mackenzie, L.** *Perceptions of health professionals about effective practice in falls prevention*. Podium presentation, College of Occupational Therapists 31st Annual Conference and Exhibition, Manchester, UK. (2007)
36. **Mackenzie, L.** *The development and application of the Home Falls and Accidents Screening Tool (HOMEFAST)*. Invited poster presentation for the Continuing Gerontological Education Co-operative Interactive Poster Session, St.Peters Hospital, Hamilton, Canada (2003)
37. **Mackenzie, L.** *The development and application of the Home Falls and Accidents Screening Tool (HOMEFAST)*. Invited poster presentation and short presentation for the Toronto Falls Network Conference, Sunnybrook & Women's Hospital, Toronto, Canada (2003)
38. **Mackenzie, L.**, Mason, L., & James, C. *Introducing first year occupational therapy students to occupational science*. Podium presentation, World Congress of Occupational Therapists, Sweden (2002)
39. **Mackenzie, L.** *Statistics for the terrified: quantitative evidence and occupational therapy students*. Podium presentation, World Congress of Occupational Therapists, Sweden (2002)
40. **Mackenzie, L.** Byles, J., & Higginbotham, N. *Health assessments to prevent falls in community dwelling older people: A randomised controlled trial*. Podium presentation, World Congress of Occupational Therapists, Sweden (2002)
41. **Mackenzie, L.**, Byles, J., Higginbotham, N. *Evaluation of the Home Falls and Accidents Screening Tool*. Podium presentation, 17th Congress of the International Association of Gerontology Conference, Vancouver, Canada (2001)
42. **Mackenzie, L.** *Perceptions of occupational therapy students about the nature of their problem based learning OT curriculum*. Podium presentation, World Federation of Occupational Therapy Conference, Montreal, Canada (1998)
43. **Mackenzie, L.**, Hugo, C. *A community based approach to falls prevention in the homes of elderly people*. Podium presentation, World Federation of Occupational Therapy Conference, Montreal, Canada (1998)
44. **Mackenzie, L.**, Zakrzewski, L. *Fieldwork: Variations on an Established Theme*. Podium presentation, American Association of Occupational Therapy Conference, Chicago (1996)
45. **Mackenzie, L.** *"Shaken not stirred". A case study of a survivor of the Newcastle earthquake*. Podium presentation, World Federation of Occupational Therapists Conference, London (1994)

NATIONAL

1. **Mackenzie, L.** (2020). Using the online Home Falls and Accidents Tool (HOME FAST). Workshop presented at the OTA Virtual Exchange, 14-15 September 2020.

2. Loton, C., & **Mackenzie, L.** (2020). Transforming a paper-based safety screening tool into an online tool to increase reach and impact. ePoster presentation eHealth 2020, University of Sydney, 11 February 2020. *This eposter won the Steering Committee Prize.*
3. **Mackenzie, L.**, DuToit, S., McGrath, M., & Fang, Y. (2019). An Online Platform for the Home Falls and Accidents Screening Tool (HOME FAST). Australian Association of Gerontology conference, Sydney, 5-8 November.
