

**Instructions:**

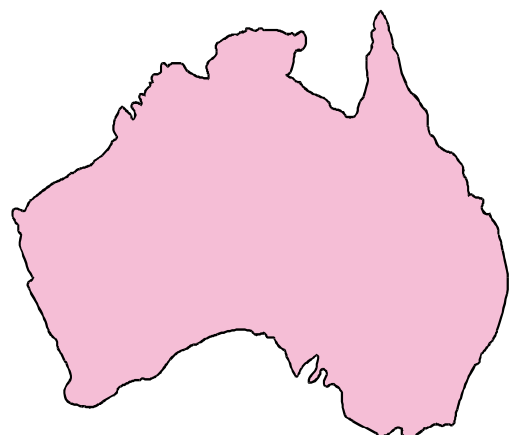

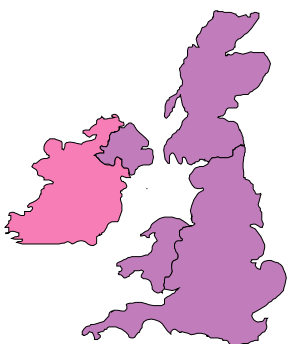

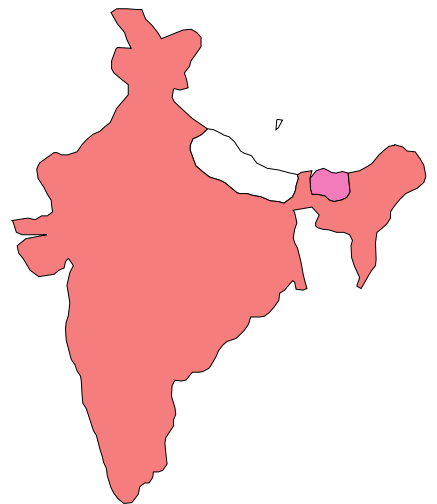

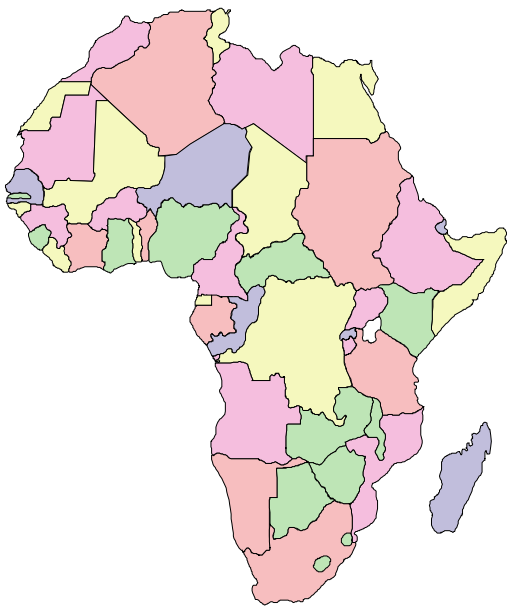

‘I am going to show you five pictures, one at the top & four at the bottom. You have to point to which one of the four pictures at the bottom best goes with the picture at the top. First we will have a practice.’

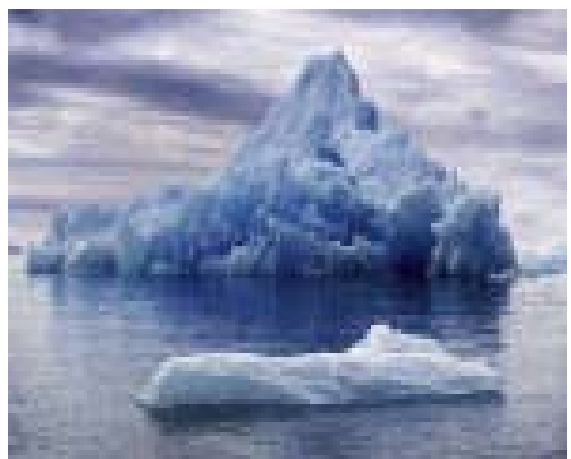

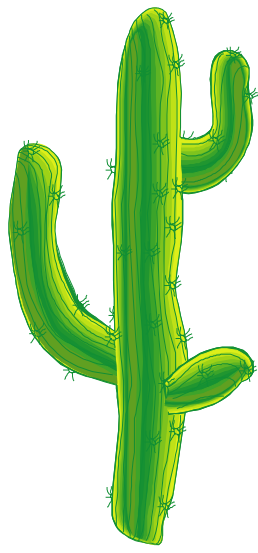

Show subject practice items. Indicate that they have to choose which of the four pictures at the bottom best goes with the one at the top. Tell subject if their response is correct/incorrect, and provide the explanation of the correct association.

**DO NOT PROVIDE ANY FEEDBACK ON THE TEST ITEMS.**
