

Professional Accounting Program versus the Accounting Major – Which do I choose?

For Students Commencing The Bachelor of Commerce Degree or The Bachelor of Commerce and Bachelor of Advanced Studies, Semester 1, 2021

Professional Accounting Program

2020 students accredited pathway to CPA and/or CAANZ and ACCA (partial exam exemption)

1000 level CORE

- BUSS1020 Quantitative Business Analysis – *also core Business unit*
- BUSS1030 Accounting, Business and Society – *also core Business unit*
- BUSS1040 Economics for Business Decision Making
- ACCT1006 Accounting and Financial Management

2000 level CORE

- ACCT2011 Financial Accounting A
- ACCT2019 Management Accounting
- CLAW2214 Business Law (can be taken in 2nd Semester of year 1)**
- FINC2011 Corporate Finance

3000 level CORE

- ACCT3011 Financial Accounting B
- INFS3110 Information Systems for Accountants
- CLAW3201 Australian Taxation System
- ACCT3600 Accounting and Auditing in Practice (CAPSTONE enrolment in the last semester of the degree)**

The Professional Accounting Program is only available to students enrolled in the **Bachelor of Commerce** or **Bachelor of Commerce and Bachelor of Advanced Studies**. Students enrolled in the **Bachelor of Commerce and Bachelor of Laws** should follow the requirements set out in the Professional Accounting Accreditation guide at sydney.edu.au/business/study/study-areas/accounting.html

Accounting Major

This option provides a depth of specialised knowledge in Accounting **but does not** provide a membership pathway to CPA/CAANZ/ACCA

1000 level CORE

- BUSS1030 Accounting, Business and Society – *also core Business unit*
- ACCT1006 Accounting and Financial Management

2000 level CORE

- ACCT2011 Financial Accounting A
- ACCT2019 Management Accounting

3000 level CORE

- ACCT3011 Financial Accounting B
- ACCT3600 Accounting and Auditing in Practice (CAPSTONE enrolment in the last semester of the degree)**

3000 level SELECTIVE

Plus any 2 of the following units of study

- INFS3110 Information Systems for Accountants
- CLAW3201 Australian Taxation System
- ACCT3013 Financial Statement Analysis
- ACCT3015 Data Analytics for Accounting
- ACCT3016 Sustainability Accounting
