

TIME	STREAM 1	STREAM 2	STREAM 3	POSTERS AND EXHIBITION ON-DEMAND
Session 1				
Opening Ceremony and Plenary Chairs: <i>Dr Kimberley Docking and Dr Helen McGuire</i>				
9:30 am	Delegates log in, familiarise selves with platform and view virtual exhibition and virtual posters			
9:45 am	Dr Kimberley Docking and Dr Helen McGuire, SCC2021 Co-Chairs Welcome and housekeeping			
10:00 am	Uncle Allen Madden - Welcome to Country Professor Robyn Ward AM, Executive Dean of the Faculty of Medicine and Health, The University of Sydney Professor Mark Scott AO, Vice-Chancellor and Principal, The University of Sydney The Hon Bronnie Taylor, MLC, Minister for Mental Health, Regional Youth and Women Dr Kimberley Docking and Dr Helen McGuire SCC2021 Co-Chairs			
10:27 am	Prof Theresa Whiteside Professor of Pathology, Immunology and Otolaryngology, University of Pittsburgh School of Medicine; Member, UPMC Hillman Cancer Center, Pittsburgh, USA <i>Tumor-derived exosomes: their role in immune regulation and as biomarkers of cancer progression</i>			
11:02 am	Prof Richard Scolyer Conjoint Professor, The University of Sydney, FMH Translational Research Collective; Co-Medical Director Melanoma Institute Australia and Senior Staff Specialist at The Royal Prince Alfred Hospital & NSW Health Pathology. <i>Zero Deaths from Melanoma: Progress To Date and Prospects for the Future</i>			
11:37 am	Short Break (15 min)			
Session 2 is proudly sponsored by				
Session 2				
Omics Chairs: <i>Prof Rosemary Balleine, Dr Laveriya Satgunaseelan</i>				
Social determinants of cancer Prof Anne Cust, Dr Amy Vassallo		Precision medicine I Dr Justin Wong, Dr Sumit Sahni		
11:52 am	sponsor message		sponsor message	
11:53 am	A/Prof Mark Cowley Children's Cancer Institute, ACRF and UNSW Medicine	Dr Emma Webster Rural Health, FMH, The University of Sydney <i>Who is the gardener? Racism as a social determinant of health</i>	Prof Matt Dun University of Newcastle and HMRI <i>Pharmacoproteogenomics for the development of combinatorial treatment regimens for paediatric high-grade gliomas.</i>	
12:13 pm	Dr Ali Azimi FMH Westmead Clinical School, The University of Sydney <i>Investigating Proteome Changes Between Primary and Metastatic Cutaneous Squamous Cell Carcinoma Using Mass Spectrometry</i>	Ms Merran Findlay RPAH and Chris O'Brien Lifehouse	A/Prof Alexander Swarbrick Garvan Institute of Medical Research <i>Exploring solid cancer ecosystems with cellular genomics</i>	
12:33 pm	Dr Camelia Quek 96: Identifying and targeting novel immunosuppressive driver mechanisms in young melanoma patients	Dr Elvin Cheng 107: Female hormonal factors and lung cancer death in never-smokers: results from China Kadoorie Biobank	Dr Angela Ferguson 118: High-dimensional and spatial analysis reveals immune landscape dependent progression in carcinoma	
12:48 pm	Mr Lionel Lack 146: Targeting Mitochondrial Dynamics to Prevent Drug Induced Cancer Stem Cells & MDR in Glioblastoma	Dr Jie-Bin Lew 26: Tailored colorectal cancer screening for Aboriginal and Torres Strait Islander peoples	Dr Liz Caldon 115: Endocrine therapy reprogramming of breast cancer leads to metastatic recurrence via Rac signalling	
1:03 pm	Dr Julia Steinberg 33: Genomic testing to identify CRC patients with Lynch syndrome: current practice and gaps in Australia	Dr Deanne Jenkin 112: Australian multiple myeloma incidence and mortality trends from 1982-2016 and projections to 2040	Dr Caroline Atkinson 122: Elevated P-glycoprotein confers resistance to multiple chemotherapies in high-risk neuroblastoma	
1:18 pm	Dr Nicholas Nikesitch 158: CMA mediates the ARPI stress response in prostate cancer, promoting ARPI treatment resistance	Ms Nuray Yaseemin Ozturk 81: Knowledge and screening practices of cervical cancer among migrant women living in Sydney, Australia	Dr Benjamin Heng 78: Aggressive breast cancer subtype eats tryptophan!	
1:33 pm	Prof Anna DeFazio The University of Sydney and WIMR	Prof Karen Canfell The Daffodil Centre and FMH, The University of Sydney	Prof Roger Reddel The University of Sydney, CMRI, CellBank Australia, ProCan® <i>Integrating proteomic data into cancer precision medicine.</i>	
1:53 pm	Short Break (15 min)			Designated exhibitor meeting time
Session 3				
PLENARY - PRECISION MEDICINE Chairs: <i>Prof Tim Shaw, Dr Dianne Sylvester</i>				
2:08 pm sponsor message				
2:09 pm	Dr Stephen Friend Visiting Professor of Connected Medicine-University of Oxford, President/Founder, 4Y ouandMe, Chairman CoFounder of Sage Bionetworks <i>Precision Medicine from Genomics to use of Wearables to detect individual symptom trajectories</i>			
2:44 pm	Prof David Thomas Head, Genomic Cancer Medicine; Garvan Institute of Medical Research; Director, The Kinghorn Cancer Centre; Chief Executive Officer, Omico; Australian Genomic Cancer Medicine Centre; Conjoint Professor, St Vincent's Clinical School, Faculty of Medicine, UNSW <i>Precision medicine: from targeted therapies to management of cancer risk</i>			
3:19 pm	PANEL: NSW Cancer Strategy 2021 and beyond Professor Anna DeFazio, Chair, the Cancer Research Network and Sydney Cancer Partners Dr Emma Healey, Manager, Grants & Data Intelligence, Strategic Research Investment, Cancer Institute NSW Professor Don Nutbeam, Executive Director, Sydney Health Partners Professor Karen Canfell, Director, The Daffodil Centre			
3:59 pm	Short Break (15 minutes)			
Session 4				
RESEARCH FUNDING WORKSHOP Dr Helen McGuire				
4:14 pm	Professor Julie Redfern and Professor Ollie Jay, Research Academic Directors (Researcher Development, Output and Impact), Faculty of Medicine and Health Professor Anne Cust, Deputy Director, The Daffodil Centre, The University of Sydney, a joint venture with Cancer Council NSW; Melanoma Institute Australia; The University of Sydney Dr David Waddington, ACRF Image X Institute, Sydney School of Health Sciences Ms Fiona Pearson, Research Support Manager, Faculty of Medicine and Health			
4:30 pm	Q&A panel forum			
5:15 pm	Break until evening session			
				Opportunity to speak with poster presenters (1 hr, 5:15-6:15 pm)

Thursday 9 September 2021 - Evening Sessions

The Evening Clinical Sessions are proudly sponsored by:

Session 5 Chairs	Evening clinical session I Prof Michael Boyer, Prof Alexander Engel	Evening clinical session II Prof Geraldine O'Neill, Prof Stan Sidhu	
7:00 pm	Introduction	Introduction	
7:04	Message from Sponsor: Merck Healthcare		
7:06 pm	Dr Tracy King Cancer Nursing Research Unit, The University of Sydney <i>Wombats and Devils: Measuring the impact of corticosteroids in those with multiple myeloma</i>	Dr David Chan Kolling Institute <i>Can PET scans replace biopsies for neuroendocrine tumours?</i>	
7:26 pm	Dr Anupriya Agarwal NHMRC Clinical Trials Centre, The University of Sydney <i>Title of talk: Let's talk money: How can we navigate the costs of cancer?</i>	Prof Patrick Schlegel WIMR, The University of Sydney	
7:46 pm	Dr Geeta Sandhu Cancer Institute NSW <i>Getting the dose right – Development of the International Consensus Guideline on Anticancer Drug Dosing in Kidney Dysfunction</i>	Prof Jacob George WIMR, Westmead Hospital and The University of Sydney <i>The future burden of primary liver cancer: MAFLD</i>	Sponsor exhibition + Mini-orals (Posters) available online on demand
8:06 pm	Dr Kimberley Docking School of Health Sciences, The University of Sydney <i>New National Clinical Practice Guidelines to Improve Speech, Communication & Swallowing in Children with Cancer</i>	Dr Ines Silva MIA, Westmead, Blacktown Hospitals, The University of Sydney <i>Challenges in the era of immunotherapy</i>	
8:26 pm	Prof Jonathan Clark Chris O'Brien Lifehouse	A/Prof Angela Chou Kolling Institute <i>A novel postneoadjuvant regression grading system predicts outcome in patient with resected pancreatic cancer</i>	
8:46 pm	Dr Luciano Dalla-Pozza The Children's Hospital at Westmead	A/Prof Emily Blyth Westmead Hospital and WIMR, The University of Sydney <i>Advanced cell therapies for safer and more effective stem cell transplant</i>	
9:06 pm	End of clinical session and day		

TIME	Stream 1	Stream 2	Stream 3	POSTERS AND EXHIBITION ON-DEMAND
Friday 10 September 2021				
9:00 am	Opportunity to speak with poster presenters (1 hr, 9 - 10 am)			
Session 6 Chairs	PATIENT EXPERIENCE & SOCIAL JUSTICE A/Prof Haryana Dhillon			Sponsor exhibition + Mini-oral (Posters) available online on demand
10:00 am	sponsor message			
10:01 am	Prof Ethan Basch NC Cancer Hospital; UNC Gillings School of Global Public Health; Lineberger Comprehensive Cancer Center, The University of North Carolina, USA <i>Symptom Monitoring with Electronic Patient-Reported Outcomes in Cancer Care</i>			
10:36 am	Prof Fran Baum Southgate Institute for Health, Society and Equity, College of Medicine and Public Health, Flinders University			
11:06 am	PANEL: Social Justice in Cancer Care Facilitated by A/Prof Haryana Dhillon, School of Psychology, The University of Sydney Prof Fran Baum - Southgate Institute for Health, Society and Equity, College of Medicine and Public Health, Flinders University Prof Alex Broom - Sydney Centre for Healthy Societies, Faculty of Arts and Social Sciences, The University of Sydney A/Prof Kelvin Kong - MQ, UNSW, UoN, HMRI, Menzies School of Health Research, John Hunter Hospital, John Hunter Children's Hospital, and Hunter ENT Prof Karen Canfell - The Daffodil Centre, FMH, The University of Sydney A/Prof Lisa Whop - National Centre for Epidemiology and Population Health, ANU			Designated Exhibitor meeting time
12:06 pm	Break (15 minutes) - Lunch / exhibition / posters			
Session 7 Chairs	CONSUMER FOCUS Ms Kathryn Leaney and Mr Murray McLachlan, Cancer Voices NSW			
12:20 pm	Ms Kathryn Leaney Cancer Voices NSW <i>Consumers shaping research</i>			
12:41 pm	PANEL: Cancer Consumers in Research Facilitated by Ms Kathryn Leaney and Mr Murray McLachlan, Cancer Voices NSW Mr Tony Maxwell - Cancer survivor and consumer reviewer + Prof Lisa Horvath - Chris O'Brien Lifehouse, Central Clinical School, The University of Sydney; The Kinghorn Cancer Centre Ms Lillian Leigh - Cancer Australia and Thoracic Oncology Group of Australasia + A/Prof Nick Pavlakis - The University of Sydney; The Thoracic Oncology Group of Australasia; Genesis Care and RNSH A/Prof Lynette Riley - Sydney School of Education and Social Work, Indigenous Studies and Aboriginal Education, The University of Sydney + Ms Karen Littlejohn - The Foundation for Breast Cancer Care			
1:26 pm	Short break (15 minutes)			
Session 8 is proudly sponsored by				
Session 8 Chairs	Drug development and new technologies A/Prof Katie Chantes, A/Prof Thomas Grewal	Supportive care & patient experience Prof Kate White, Ms Jingjing He	Cancer Immunology Prof Georgina Clarke, Prof Mark Gorrell	Sponsor exhibition + Mini-oral (Posters) available online on demand
1:41 pm	Sponsor message	Sponsor message	Sponsor message	
1:42 pm	Dr Tristan Rawling Mathematical and Physical Sciences, UTS <i>Targeting the proton gradient across the mitochondrial inner membrane for anticancer drug development</i>	Dr Jasmine Yee Exercise and Sport Sciences, The University of Sydney	Dr Kavitha Gowrishankar WIMR <i>T cell therapies- using native, chimeric and transgenic receptors</i>	
2:02 pm	Dr Bekesho Geleta 45: Targeting NDRG1 to inhibit bi-directional oncogenic cross-talk between pancreatic cancer and stroma	Ms Lauren Ha 39: Improving physical activity levels among childhood cancer survivors: A digital educational program	Dr Kazi Nahar 20: Systemic myeloid cells and local T cells propel immunotherapy-induced colitis	
2:17 pm	Mr Josef Gillson 90: Overcoming the chemoresistance mechanisms in pancreatic cancer via targeting the AMPK energy pathway	Dr Rebecca Venchiarutti 66: Health literacy and cancer care coordination among patients with head and neck cancer	Miss Tiffany Tang 38: Patient-derived xenograft (PDX) mouse models to test novel cell therapies for leukemia	
2:33 pm	Dr Lin Xiao 71: Targeting chromatin potently inhibits leukaemia progression in MLL	Ms Dorothy Drabarek 153: Patient experiences of melanoma self-surveillance using mobile	Dr Mawar Karsa 34: CBL0137 promotes CART-cell therapy against MLL-rearranged	
2:47 pm	Short break (15 minutes)			
Session 9 Chairs	Precision Medicine II Dr Camelia Quek, Dr Leonard Goldstein	Psycho-Oncology A/Prof Jo Shaw, Dr Carolyn Mazarigo-Jones	Medical Radiation Sciences Prof Dale Bailey, Dr Ernest Ekpo	
3:02 pm	Dr Emily Colvin Kolling Institute and The University of Sydney <i>The role of lncRNAs in the ovarian tumour microenvironment</i>	Rachel Campbell Quality of Life Office, The University of Sydney <i>Measuring what matters MOST in ovarian cancer clinical trials and clinical practice.</i>	Prof Patrick Brennan Medical Radiation Sciences, The University of Sydney, DetectED-X <i>Multiple academic outputs from a simple educational initiative</i>	
3:23 pm	Prof Jean Yang The University of Sydney <i>Harnessing single-cell data for cancer</i>	Prof Phyllis Butow PoCoG & CeMPED, School of Psychology; SoJRCe, Institute of Surgery, The University of Sydney <i>A clinical pathway for anxiety and depression (ADAPT) in the cancer setting: Implementation outcomes.</i>	Prof Annette Haworth Medical Physics, Faculty of Science, The University of Sydney <i>Biologically Targeted Radiotherapy: utilising imaging biomarkers to characterise tumour heterogeneity for precision radiation therapy</i>	
3:43 pm	Dr Robert Finnegan 99: A Three-Dimensional Computational Model of Prostate Cancer Biology	Ms Sarah Ratcliffe 126: Moral distress among oncology and palliative care HCPs in Australia: A qualitative study.	Dr Caterina Brighi 15: Stability of multiparametric MR imaging biomarker-derived dose prescriptions for glioblastoma	
3:58 pm	Prof Mark Molloy 100: Integrated Molecular Analysis of Polyps (IMAP) study to understand how bowel polyps develop	Dr Jennifer Cohen 36: Canteen Connect: The evaluation of an online health community for AYAs impacted by cancer	Miss Faiga Mudassar 54: Investigating Novel Treatments to Improve Radiation Response in Diffuse Intrinsic Pontine Glioma	
Session 10 Chairs	Closing remarks & awards presentation Dr Helen McGuire and Dr Kimberley Docking, SCC2021 Co-Chairs Professor Anna DeFazio, Conveynor, the Cancer Research Network, Faculty of Medicine and Health, University of Sydney			Sponsor exhibition + Mini-oral (Posters) available online on demand
4:28 pm	Closing remarks & awards presentation Dr Helen McGuire and Dr Kimberley Docking, SCC2021 Co-Chairs Professor Anna DeFazio, Conveynor, the Cancer Research Network, Faculty of Medicine and Health, University of Sydney			
5:00 pm	END OF CONFERENCE			

SCC2021 Speaker's Affiliations IACRF - Australian Cancer Research Foundation ANU - Australian National University CeMPED - Centre for Medical Psychology & Evidence-Based Decision-Making CMRI - Children's Medical Research Institute	FMH - Faculty of Medicine and Health (The University of Sydney) HMRI - Hunter Medical Research Institute MIA - Melanoma Institute Australia MQ - Macquarie University	PoCOG - Psycho-Oncology Co-operative Research Group RNSH - Royal North Shore Hospital SoJRCe - Surgical Outcomes Research Centre UNSW - University of New South Wales	UoN - University of Newcastle UTS - University of Technology Sydney WIMR - Westmead Institute for Medical Research
