Scholarship offerings

The Chancellor’s Award is automatically awarded to students who have achieved an ATAR (or equivalent) of 99.90 or above.

To be eligible students must be a current school leaver and applying through UAC. This scholarship is for domestic students (including citizens of New Zealand who are applying through UAC).

This scholarship is valued at $10,000 per annum for the duration of an undergraduate degree (including combined degrees). It can be deferred for up to two years.

No application is required. These scholarships are awarded automatically following the release of ATAR results.

The Sydney Scholars Award is open to domestic (including New Zealand citizens) and international students. Students must be current school leavers applying through UAC.

Students must submit an online application, including a personal statement, by 30 September 2020.

Sydney Scholars Awards are valued at $6,000 for one-year, or for the duration of an undergraduate degree (tenable for 5 years, including double degrees).

Applicants must have achieved an ATAR of 95 or above (if they are applying to the Sydney Conservatorium of Music or the Sydney Dental School an ATAR of 90 or above is required).

Domestic students with excellent academic ability may also choose to apply for the Sydney Scholars Awards on equity and hardship grounds.

Faculty updates

Faculty of Engineering

From S1 2021, students in the Bachelor of Engineering (Honours) will undertake enhanced foundation studies in data and computation, and a sequence of real-world project units throughout their degree. This is to ensure our students continue to graduate job-ready and at the forefront of engineering innovation.

Degree and stream names will remain unchanged. However, from 2021 specialisations will replace majors. We have created a number of new exciting specialisations to choose from. There is no change to the graduate outcomes or to the duration of the degree.

Creative Arts Special Admission Scheme (CASAS)

This new scheme offers talented Year 12 students a chance to enter music and visual arts degrees based on audition and/or portfolio and interview prior to getting their ATAR.

Applicants must be current school leavers, domestic students (including New Zealand citizens) and applying through UAC.

Early offers will be made in prior to the HSC exams commencing.

Bachelor of Oral Health

For 2021 entry only, all eligible applicants must attend the Multiple Mini Interviews (MMIs) via Zoom. Eligible international and domestic applicants will participate in September and December respectively.
