Want to teach in Australian government/non-government schools?

1. Do you have a university degree?
2. Is your English near Band 7.5 on IELTS or 4 on ISLPR?
3. Do you teach at a Community Languages School?
4. Are you an Australian citizen or a Permanent Resident?

We are offering a pathway program and special support for students in a Master of Teaching (primary) course at Australian Catholic University and a Master of Teaching (secondary) course at Western Sydney University in 2021.

The courses will mostly run on weekends, week nights, and online to better suit teachers’ family and work commitments.

Completing a Master of Teaching course will qualify you for accreditation as a primary or secondary teacher in Australia.
