Director's Foreword

2020 represented a very challenging year for students completing their studies at Sydney College of the Arts, but this catalogue celebrates their amazing endurance and commitment to their work at such a unique moment in history.

Equally these remarkable achievements would not have been possible without the dedicated support of SCA's academic and professional staff who managed online and on campus learning throughout the Covid-19 restrictions.

SCA was fortunate to be able to deliver the exhibition in the very beautiful new Gallery and adjoining spaces in SCA's new home in the Old Teacher's College Building on Camperdown Campus. I extend my gratitude to our donors;

whose generous bequests enable us to offer four major awards: the Jerome de Costa and Dorothy Downes Memorial Scholarship; and the Fauvette Loureiro Memorial Scholarships.

Year after year, these awards have expanded opportunities for SCA's students and graduates.

I am also grateful to our generous supporters.

- Artereal Gallery for the Artereal Gallery Mentorship Award

- Dragon Image for the SCA Master of Moving Image Craft Award

I congratulate all exhibitors in SCA's 2020 Graduation Show and wish you continued success in your future careers.
