Poster Guideline

1. Provide your project information by replacing the placeholder content (i.e., **Pxx**, **Project Level**, **Project Title**, and **Student Name(s) with university name(s)**) in the top area of this poster. You may reduce the font size for Project Title and Student Names, if necessary. Please do **NOT** change the layout of the top red area.
2. Project Level categories (Choose one and use the exact spell)
 1. **UG Junior**: For the teams of which majority are Year 1 or Year 2 UG students
 2. **UG Senior**: For the teams of which majority are Year 3 or higher UG students
 3. **Honours**: For individual Honours project
 4. **Postgraduate**: For the teams of which majority are PG students.
3. Provide your project details (e.g., Description, Solution, and Results) in the white area. The above **Project Description** and **Project Solution & Results** are for your reference only. You can include other necessary information (e.g., Reference) and use the white area creatively.
4. There will be Poster Award to be judged in terms of
 1. a good balance of sufficient details of the project and the clarity of the presentation; and
 2. aesthetic features (e.g., visually appealing).
