

# Qualitative Research on Climate and Mental Health in NSW

## CALL FOR INTERVIEWEES

Have you noticed changes in your wellbeing due to changes in your local environment or in weather patterns? We'd like to talk to you!

Interviews can take 45 mins to 1 hr and can occur over zoom or in person. Interview questions may include:

- Has this summer felt different to previous summers?
- Has the weather ever impacted your day to day life?
- How do you cope during extreme weather events such as heatwaves?

Participation is voluntary and you will be compensated for your time.

For more information, please scan the QR code or use our contact details - found on the bottom right.

Participants must be over 18 years and live in metropolitan Sydney.

Please respond by xx March 2025.
