

RESEARCH AND PROTOTYPE FOUNDRY 2021 MEMBERSHIP

This year, the RPF is offering memberships to our University of Sydney users – payment of an upfront fee will provide greatly reduced access fees for all tools for 2021. This should be attractive to researchers who plan to make substantial use of RPF.

	Upfront fee	Equipment group 1	Equipment group 2	Equipment group 3
Current fees	-	\$15 per hour	\$45 per hour	\$60 per hour
Membership rates	\$2,000	\$5 per hour	\$15 per hour	\$20 per hour

Conditions:

- Membership is for individual users
- Membership must be claimed before 31 March; the upfront fee will be billed in your first quarter invoice
- The reduced rates will be applied to all equipment use during 2021
- Prototyping tools are currently available at a special introductory price and aren't included in the membership rates
- Fees for training (\$50 per hour) and staff assistance (\$100 per hour) **are not reduced** and will remain at their current rates
