

# The SUGS Prize for Modern Greek and Byzantine Studies

## Terms and Conditions

### 1. Background

- a. The Prize has been established to award the highest achieving undergraduate final year student studying Modern Greek and Byzantine Studies.
- b. This Prize is funded by a donation from the Sydney University Greek Society (SUGS) to honour the outstanding commitment to the Department and its students by Professor Vrasidas Karalis and Associate Professor Anthony Dracopoulos.

### 2. Eligibility Criteria

- a. To be considered eligible for this Prize, students must have completed their final year studying Modern Greek and Byzantine Studies as part of the Bachelor of Advanced Studies or as a standalone Honours year.

### 3. Selection Criteria

- a. The Prize will be awarded based on the academic merit to the student with the highest average mark in 2 units of study at either:
  - I. MGRK3000 level, and/or
  - II. MGRK4000 level.
- b. When an appropriate winner cannot be awarded based on the criteria outlined in Clause 3.a, the prize will be awarded to a continuing student who has demonstrated outstanding commitment to Modern Greek and Byzantine Studies. This decision will be at the discretion of the Department of Modern Greek and Byzantine Studies.
- c. The prize will be awarded by the Chair of the Department of Modern Greek and Byzantine Studies or their nominated delegate.

### 4. Value

- a. This Prize has a value of \$1,000 and will be paid as a one-off payment.
- b. If two or more students are of equal merit the value of the prize may be shared.
- c. No other amount is payable.
- d. The Prize will be awarded subject to the availability of funds.

### 5. Ongoing Eligibility

- a. None apply.

**6. Termination**

- a. The University reserves the right to withdraw the Prize, if the University determines that the student is guilty of serious misconduct, including, but not limited to, having provided false or misleading information that has a relationship to the awarding of this Prize.
- b. Once withdrawn the Prize will not be reinstated.
