Lifts, stairs, hallways and doors

- Do not touch your face after using a hand rail
- Wash hands after touching shared surfaces (e.g. stair rails, door handles, lift buttons)
- Keep left when walking in hallways and on stairs and wait for others to pass to maximise separation between people

Kitchens and lunch/tea rooms
- Don’t stop to chat in hallways or on stairs as it makes it difficult for others to pass by – find a larger space to talk.
- Hand wash utensils, cups and crockery with detergent and warm water before use
- Wash hands before and after eating
- Avoid using crowded kitchens (e.g. wait for others to leave)
