

# 2026 Admission *Guide*

## FOR DOMESTIC STUDENTS

For most courses we list a guaranteed selection rank made up of ATAR + adjustment factors. Adjustment factors are awarded through entry schemes, which are listed in the tables below and in more detail on pages 24–27. If you are not eligible for adjustment factors, your selection rank is just your ATAR. If you are applying with a non-ATAR qualification, it will be converted into an ATAR-equivalent selection rank.

Guaranteed Entry to a course is subject to meeting all the admission criteria and the availability of places. If you don't meet the guaranteed selection rank, you may still be eligible to receive an offer depending on the availability of places.

Courses listed with an asterisk (\*) are indicative and are not Guaranteed Entry ranks. These courses have additional admission criteria and/or limited places.

In the tables below we provide a guide to the ATAR required for admission under most entry schemes. All scores published below are a guide only and are subject to change. For the most up-to-date entry scores, visit
