Admission is based on a combination of ATAR or equivalent, plus additional admission criteria.

- The B Veterinary Biology/D Veterinary Medicine (BVB/VM) lists two tuition fee rates. The first tuition fee is for students commencing the BVB component in 2003 for Year 1. The second tuition fee is for students commencing the VM in 2003 for Year 1. Tuition fees are subject to annual review and will increase each year of your study.

- Tuition fees are subject to annual increases. For further information, see sydney.edu.au/study/tuition-fees
- ▲ Not available for full-time study in Australia on a student visa
- * See ‘Table notes’ section
International students
Courses listed in the ‘2023 guide to admission criteria for international students’ (pages 56–63) are CRICOS registered and available to student visa holders, unless otherwise indicated with a ◊. For more information on CRICOS-registered courses, visit
− cricos.education.gov.au

Admission scores
The admission criteria published in our tables are to be used as a guide and will not necessarily result in an offer of a place for all courses. Admission is subject to meeting all admission criteria, including English language requirements and prerequisites where applicable for some students. For some courses (marked with a triangle), there are additional admission criteria such as auditions and interviews.

ATAR-equivalent admission scores listed for non-Australian qualifications are also indicative and subject to changes in assessment schedules used to convert scores.

For a comprehensive list of secondary education (Year 12 or high school qualifications accepted by the University, visit
− sydney.edu.au/study/secondary-qualifications

Programs, majors, minors and specialisations
The programs, majors, minors and specialisations listed are indicative and subject to change. Unless specified as a major or a minor only, majors are also available as minors. For the latest information, visit
− sydney.edu.au/handbooks

Table notes

The information published in these tables (pages 56–63) is a guide for admission to our courses in 2023. The information is correct at the time of publication and may be subject to change. For the latest course information, including admission criteria, course structure and availability, refer to the relevant course at
− sydney.edu.au/courses

Assumed knowledge and prerequisites
The assumed knowledge and prerequisites listed in our course tables refer to subjects in the NSW Higher School Certificate (HSC) curriculum. For example, Mathematics Advanced refers to the two-unit HSC subject or an equivalent subject for other qualifications. Refer to the HSC syllabus to understand the required subjects and standards.

Recommended studies
Some courses may also have recommended studies. For details, check the relevant course at
- sydney.edu.au/courses

Dalyell by invitation
Dalyell by invitation refers to the Dalyell Scholars stream for high achieving students that eligible students may be invited to join.

Key to the tables
▲ Additional admission criteria
Combination of ATAR (or equivalent score) plus additional admission criteria (e.g., portfolio, audition, interview). Check the details for your specific course at
- sydney.edu.au/courses

na Not available or not applicable
Not applicable as an admission score cannot be applied.

◊ Bachelor of Nursing Post Registration (Singapore)
This course is delivered in Singapore by a third-party provider and is not available for full-time study in Australia on a student visa. For more information, visit the Singapore Institute of Management’s website.
- www.simei.edu.sg

Prerequisites
Mathematics prerequisite
For the courses marked with this symbol, the mathematics prerequisite will apply to international students undertaking an Australian state or territory Year 12 qualification in or outside Australia, any Year 12 qualification in Australia, or the University of Sydney Foundation Program. For more information about the mathematics prerequisite, including equivalent requirements for other qualifications and options available if you have not studied mathematics, visit
- sydney.edu.au/study/maths

NESa prerequisites for teaching degrees
- Bachelor of Education (Primary)
- Bachelor of Education (Health and Physical Education)
- Bachelor of Music (Music Education)

The New South Wales Education Standards Authority (NESa) requires students entering these teaching degrees to achieve the equivalent of a minimum of three Band 5s in their NSW HSC, one of which must be English (English Standard, English Advanced, or English as an Additional Language or Dialect (EALD) previously known as English as a Second Language (ESL)). For equivalent requirements for other Australian Year 12 qualifications, refer to the UAC website:
- uac.edu.au/future-applicants/admission-criteria/ year-12-qualifications

For other non-Australian secondary education (high school qualifications), the University will assess whether you have achieved an equivalent standard through your high school studies. If you need to meet English proficiency requirements through a test such as IELTS, you will complete those requirements separately.

** Sciences Po and University of Sydney dual degrees
- B Arts (Dual Degree, Sciences Po, France)
- B Economics (Dual Degree, Sciences Po, France)

Applicants will need to meet the minimum admission requirements for their degree of choice at the University of Sydney, including English language requirements. The higher of the English language requirements of the two partner institutions will apply.

The Sciences Po degree requires a total of four years of full-time study to be eligible for two separate awards from Sciences Po and the University of Sydney. During years 1-2, students will enrol at Sciences Po, France, and pay the applicable fee direct to Sciences Po. During years 3-4, students enrol in the applicable Sydney degree (international students enrol in the applicable CRICOS-registered Sydney degree), with eligible transfer credits for studies undertaken at Sciences Po. Students will pay the applicable Sydney fee in years 3-4 to the University of Sydney.

Student visa holders who commence this course may face additional costs associated with their student visa. For visa information, visit
- www.homeaffairs.gov.au

Explanation of qualification admission scores
These relate to the ‘2023 guide to admission criteria for international students’ table on pages 56–63.

English language test scores
All English test scores need to be no more than two years old at the date of course commencement. For a full list of English language tests accepted by the University, visit
- sydney.edu.au/study/english-reqs

English – IELTS Academic: The first score is the overall score; the score listed within brackets is the minimum score required in each section (L for Listening, R for Reading, S for Speaking, W for Writing).

English – TOEFL iBT: The first score is the total score required. The first score within brackets is the minimum score for each section – Listening, Reading and Speaking. The second score is the minimum score for Writing. Where specific section scores are required, L is for Listening, R for Reading, S for Speaking, and W for Writing.

International ATAR
The Australian Tertiary Admissions Rank (ATAR) is a measure of a student’s overall academic achievement relative to other students undertaking an Australian state or territory Year 12 qualification. The figures shown in the ‘International ATAR’ column apply to international applicants.

IB Diploma
Entry is based on the total score for the completed International Baccalaureate (IB) Diploma. IB conversion schedules are under review for admission from 2024 onwards, hence scores required for future years are subject to change.
GCE A Levels
(Appplies to UK General Certificate of Education
Advanced Level and select comparable qualifications.) The first score listed is the requirement for three subjects, the second score is for four subjects. If there are more than four subjects, the best four will be used to calculate the aggregate. The aggregate is calculated from the A2 subjects based on A=6, A+=5, B=4, C=3, D=2, E=1. Advanced Subsidiary (AS) subjects are not used in calculating the aggregate. At most, one Applied A level subject may be included in the aggregate.

Canada

British Columbia: Certificate of Graduation (Dogwood diploma). Grade average from all grade 12 subjects except Graduation Transition based on: A=4, B=3, C+=2.5, C=2, C-=1, F=0. Also applies to Adult Secondary School graduation diplomas, comparable qualifications in the Yukon territory and the Diplome de fin d’études.

Nova Scotia: Nova Scotia High Completion Certificate average of five Grade XII academic courses.

Canada
British Columbia: Letter Grade Average in the Norwegian school year (8th standard) is required at either A, B or C grade. The average of A, B and C grades is calculated. If there are more than four subjects, the best four will be used to calculate the aggregate. The aggregate is calculated from the A2 subjects based on A=6, A+=5, B=4, C=3, D=2 and E=1. For Category C electives, A=2.5, B=2.0, C=1.5, D=1.0, E=0.

India
CBSE: All India Senior School Certificate awarded by the Central Board of Secondary Education (CBSE). Total of the best four externally examined subjects, where A=5, A+=4.5, B+=3.5, B=3, C+=2.5, C=2, D+=1.5, D=1, D-=0.5.

Indian School Certificate: Indian School Certificate awarded by the Council for Indian School Certificate Examinations (CISCE). The required score is the average of the best four subjects, including English.

Indian HSSC: Average of the best five academic subjects in the Higher Secondary School Certificate (HSSC) in the states of Andhra Pradesh, Gujarat, Karnataka, Maharashtra, Tamil Nadu and West Bengal. The requirement is higher for other states.

China
Gaokao: Gaokao requirement is listed as a percentage for each course. Calculate the score required as a percentage of the maximum score for your province. The maximum score is 750 in most provinces, with exceptions including Shanghai (660) and Hainan (940). For example, for Beijing, 70% = 525 out of a maximum score of 750.

France
French Baccalauréat: French Baccalauréat score for the following (including French territories and departments):
– Baccalauréat General
– Baccalauréat de l’Enseignement du Second Degré
– Diplôme de Bachelier de l’Enseignement du Second Degré
– Option Internationale du Baccalauréat (OIB) – International option of the French Baccalauréat

Germany
Abitur: Average grade or ‘Durchschnittsnote’ required for the following qualifications:
– Zeugnis der Allgemeinen Hochschulreife
– Abiturientenzeugnis
– Zeugnis der Reife
– Reifezeugnis

Hong Kong
HKDSE: Hong Kong Diploma of Secondary Education (HKDSE) aggregate based on the best five subjects, including any combination of compulsory and Category A and C electives, but excluding Category B (Applied Learning) subjects. For compulsory subjects and Category A electives, the aggregate score is worked out based on 5*, 5+, 5, 4+, 4, 3+, 3, 2+ and 1+. For Category C electives, A=2.5, B=2.0, C=1.5, D=1.0, E=0.

Singapore
Singapore A Levels: Applicants must present at least three H2 subjects and the aggregate can be raised as follows:
– 4 x H2, or
– 3 x H2 + H3*, or
– 3 x H2 + Knowledge and Inquiry (KI) at H2 level, or
– 3 x H2 + General Paper (GP) at H1 level + content-based subject (at H1 level)
The aggregate is calculated as follows:
– H2 subjects based on A=120, B+100, C=80, D=60, E=40
– H3 subjects are ranked the same as H2, based on Distinction = 120, Merit = 100, Pass = 80
– H1 subjects based on A=60, B=50, C=40, D=30, E=20
– Project Work and Mother Tongue are not included.
– Aggregate is calculated from H2 subjects taken in the same sitting.
– Applicants must present either GP or KI, even if the result may not count toward their aggregate.

*H3 subject can only be included if it is not the same unit taken at H2 level.

South Africa
South African National Senior Certificate: Average of the best four subjects (with the highest percentage results), excluding Life Orientation.

South Korea (Republic of Korea)
South Korea CSAT: Aggregate calculated from four standard scores in Korean Language, Mathematics and the best two subjects from Social Studies or Science area. The Korean Senior High School Diploma is not assessable.

Sri Lanka
Sri Lanka A Levels: GCE Advanced Level examination aggregate of the best three Advanced Level subjects based on A=4, B=3, C=2, S=1, F=0. A fourth subject grade may be added if three A grades are achieved.

Sweden
Slutbetyg: Swedish Upper Secondary School Leaving Certificate from a Gymnasieskolans. From 2014, the entry requirement is the average of grades based on A=20, B=17.5, C=15, D=12.5, E=10, F=0. Different requirements apply prior to 2014.

United States (in or outside the US)
ACT*: American College Test (ACT) composite score. Evidence of graduation from a secondary education qualification is also required. ACT scores required can be lower for applicants presenting Advanced Placement tests (APs) with a score of 4 or better.

SAT*: Scholastic Aptitude Test (SAT) composite score out of 1600 for tests taken from 2016. Evidence of graduation from a secondary education qualification is also required. SAT scores required can be lower for applicants presenting Advanced Placement tests (APs) with a score of 3 or better.

*Note: The SAT and ACT do not meet the University of Sydney’s mathematicscourse prerequisite for applicants who are required to meet this requirement. For information on the mathematics prerequisite, visit – sydney.edu.au/study/maths

USFP GPA/USFP English
In the admission criteria table, the University of Sydney Foundation program (USFP) score or GPA is the first listed score, and the second letter grade listed after the forward slash is the English grade required. This score can serve as a guide to admission to other Australian university foundation programs. However, depending on the foundation program, the requirements may vary from course to course. Some foundation programs are expressed as a percentage. In this table, an 8 is equal to 80 percent, 9.5 is 95 percent and so on. Separate English requirements will apply for other foundation programs.

† For Nursing pre-registration degrees, the USFP English test result will not meet the English requirements set by the Nursing and Midwifery Accreditation Council (ANMAC). USFP students will be required to meet the IELTS requirement of an overall 7.0 with no band below 7.0. For more information, visit – sydney.edu.au/courses

USFP package offers are not available with Sciences. However, Dual Degrees due to the structure of these degrees, which require the first two years to be undertaken in France, and the resulting implications on a student visa.

Vietnam
Vietnamese High School Graduation Certificate: (Bằng tốt nghiệp THPT) Year 12 GPA from an approved Gifted High School.
