## Notes

- Credit will be offered as part of the application for admission. A separate application for credit is not required (select **NO** to the credit application).
- The Credit Arrangement is recommended for students pursuing either:
  - (a) a B Science or a B Science and B Advanced Studies course including a major/minor in one of the specified areas to make best use of this credit. Students that choose a different major/minor may need to rescind some credit to make space in their degree; or
  - (b) the Medical Science stream, i.e. a B Science (Medical Science) or a B Science and B Advanced Studies (Medical Science) course.
- Credit is awarded based on the equivalent units of study undertaken in the Taylor's program, in accordance with University rules and procedures. For more information visit – [sydney.edu.au/study/credit](https://sydney.edu.au/study/credit).
