Internships

Students have the opportunity to develop familiarity with Australian workplace culture while applying their academic learning in real workplace situations. By enrolling in our credit-bearing internship unit of study (ARTS2600), students can enhance their communication, cross-cultural and interpersonal skills, while gaining a competitive advantage in the graduate employment market.

**About ARTS2600**

Students complete 10 hours of professional development training, 4 reflective assessments, a final report, and a minimum of 120 hours with a host organisation. The placement requires no extra fees and students receive a final grade that appears on their University of Sydney transcript.

We work with companies from a variety of fields including start-ups, technology firms, communication agencies, and not-for-profit organisations. Recent placements include:

- Association of Chartered Certified Accountants (ACCA)
- Taronga Zoo
- Cancer Council NSW
- Intro Travel
- Baseball NSW
- Rainforest Rescue
- Greenpeace
Eligibility
Applicants are assessed against selection criteria and are selected on a best-fit basis. Eligibility requirements include:

- Be a Study Abroad applicant and satisfy all entry requirements
- Have a cumulative GPA of 3.0 or higher on a 4.0 scale, or an average of ‘C’ or better on the ECTS grading scale
- Have completed at least 1 year of university study

Placement process
Placement is competitive and based on key performance indicators such as GPA, prior academic studies and goals, and the outcome of a video interview. Though every effort is made to place all eligible applicants, placement is not guaranteed.
Guaranteed accommodation

We provide peace of mind in finding students a place to live by offering guaranteed accommodation at Scape. Student accommodation is within a 15 minute walk to campus and located on the doorstep of downtown Sydney.

Contracts start the week before Orientation and finish after exams, meaning students don’t pay for several additional weeks they wouldn’t use. Your study abroad adviser will provide more information when you apply.

Students have access to great facilities and services including:
- Fully furnished apartments
- Unlimited Internet
