Retractable seating	48
Wheelchair (located at rear of balcony)	2

Stage Dimensions

Dimension	Length
Width	
Upstage	11m
At front of retractable seating	14.7m
At front of permanent seating	13.43m
Depth	
To retractable seating	5.37m
To permanent seating	12.5m
Audience height above stage	
To front row retractable seating	0m
To front row permanent seating	1.28m

Stage Access

Access to the stage is from a 2.2m wide corridor that runs Prompt Side (PS) stage level from behind and beside the audience raked seating. PS stage is bounded by floor to ceiling glass panels including four sets of double doors. There are no curtains for these panels.

Backstage

The Joseph Post Auditorium has no backstage areas. Performers may congregate in the high school cafeteria, where the PS corridor begins, prior to going on stage. The high school's toilets are available for the performers.

Audience Access

Audience should remain outside the box office in the main foyer of the Conservatorium and be directed to the Joseph Post Auditorium via the Verbrugghen Hall corridor once doors have been opened. There is minimal space directly outside the hall's entrance doors. Audience members should use the toilets located in the Conservatorium main foyer, at street level.

Facilities

Lighting and Sound

House and stage lighting is operated via a panel located behind the audience. Basic CD playback facilities are available.

Power

Stage: 10x single GPOs; 7x double GPOs

Acoustic Banners

There are no acoustic banners in the Joseph Post Auditorium.
