# Working 'in the big smoke'

My 'real' work...

My 'work' on the side...

*On a constant mission to keep learning, studying a JD, 2019-2025 (yes – 2025!)*

*On client site, Townsville – QLD, 2018.*

*Working for KPMG, various reports that I have played a role in preparing:*

- *Indonesian cattle supply,*
- *setting the National Farmers Federation Agenda*
- *The new Western Sydney Airport food hub of the future.*

*2017-2019 (onwards?!)*

*Instructing gym classes at Fitness First, 2019.*

# Looking to the future

*Making the pledge (alongside Prime Minister Scott Morrison - just to the right above the 1), to help drive the agriculture industry to be the next \$100 billion sector by 2030; National Farmers Federation Congress 2018.*

# A fashion-loving, concrete cowgirl – moo-ving in the right direction.

*Keeping on growing, peri-culture at USYD, 2016.*

*Keeping up appearances (aged 3), Glenfalloch, Holbrook – NSW.*

*Keeping me smiling; a day looking at those big brown eyes is a good day – some of my favourite art; 2018*

*Keeping on feeding the world, 1994 – onwards!*
