Series: 6 Articles and addresses by John Anderson
Date Range: 1927 - 1962

Accessions: 1428
Quantity: 0.32 *shelf metres*
Item List: yes

Series Description:

Articles and addresses attributed to John Anderson, handwritten and typed. It is believed that Anderson himself did not type, so that any typed material was probably made from notes at a later date by Jenny Anderson or Ruth Walker. The majority of the hand written material is in John Anderson's own writing, but there is also material in other, unidentified, hands. Where it is known to whom an address was given or in which publication an article was printed, this is indicated.
