

Graduate Certificate in Surgical Sciences Registration Form

To be completed by Years 3 and 4 Medical Students only

Please tick ONE unit of study as your preference for the first semester (Please note: this does not guarantee enrolment):

- SURG5031 Surgical Skills and Practical Professionalism (Semester 1 – online with 2 day intensive)
- SURG5034 Surgical Anatomy based on GSSE (Semester 1 & 2 – face to face)
- PATH5000 Surgical Pathology (Semester 1 & 2 – online)
- SURG5032 Physiology and Pharmacology for Surgeons (Semester 2 – online)
- HAEM5001 Thrombosis and Homeostasis in Acute Care (Semester 2 – online)

Please complete this form for permission from Sydney Medical School to enrol concurrently in the MD program and the Graduate Certificate in Surgical Sciences. Please send form to Assoc Prof Annette Burgess (annette.burgess@sydney.edu.au) for approval from Sydney Medical School.

Once approval has been granted and form has been signed by the Sydney Medical School, please submit to the Professional Education in Health Surgery Team at (peh.surgery@sydney.edu.au) who will be able to advise of the next steps.
