From 5 October 2021, AIG Australia Limited (AIG) is required to have Target Market Determinations for its retail client insurance products in accordance with the *Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019*.

What is a TMD?

A TMD is a document created by AIG which seeks to offer customers, distributors and staff with an understanding of the class of customers for which the product has been designed and sets out:

- who is in the target market and who the product is not designed for;
- any distribution conditions and restrictions for the product;
- review periods and events that may trigger a review of the TMD; and
- reporting obligations for AIG's distributors.

The TMD is not intended and should not be treated as a full summary of the product's terms and conditions and is not intended to provide financial advice. Customers must refer to the Product Disclosure Statement (PDS) and any supplementary disclosure documents for the terms and conditions of the product when making a decision to acquire the product.

TMD's for all AIG retail products are available on AIG's website at www.aig.com.au/tmd.

AIG is committed to offering high quality insurance products to meet our customer needs and which offer real value. AIG achieve this by taking a consumer-centric approach when designing and distributing our products.
