

Industry and Community Project Units

Semester 2 2022 – 4000 level (B)

IMPORTANT: There will only be **one** class per project. Please consider the project timetable before registering for a project and make sure that you are available for the allocated class time.

Projects will be delivered face-to-face on campus, with online learning options for students unable to attend in-person. The classroom/venue will be communicated by your Project Supervisor upon project start via Canvas.
