* Please note that selecting a major or minor in the Bachelor of Visual Arts is optional. Your BVA studio units are equivalent to selecting a first major. The Bachelor of Visual Arts course structure does not allow you to choose both electives and a 2nd major. If you don't want to select 2nd (optional) major, please leave the major field blank in the Sydney Student enrolment tool. Leaving the drop-down box blank is ok. This will then allow you to select elective units of study instead of 2nd major units of study. If unsure, please check in with an academic advisor.
