Select your Project units from the third collection.

Check enrolment rules for eligibility.

Select your first 18 cp of Specialisation or Specialist units from the bottom collection.

Additional specialist units can be selected from the second collection above.

## Your unit of study selection

You can find information on our website [to help you complete this part of your enrolment.](#)

A summary of the requirement for your course are outlined below. During your enrolment you will only need to select units of study for the upcoming academic

Your course details	
Course	Master of Data Science

To qualify for the award of the Master of Data Science you must complete 72 credit points of units of study, comprising:

**For the Professional Pathway:**

- 30 credit points of Core units of study consisting of:
  - 18 credit points of Data Science Core units of study; and
  - 12 credit points of Professional Core units of study;
- 12 credit points of Capstone Project units of study taken either as a 12 credit point unit, DATA5703 or DATA5709 in one semester, or as two 6 credit point units, DATA5707 and DATA5708, over two semesters;
- a minimum of 18 credit points of Specialisation units of study or Data Science Specialist units of study
- a maximum of 6 credit points of Foundation units of study; and
- a maximum of 12 credit points of Elective units of study.

**For the Research Pathway:**

- 30 credit points of Core units of study; and
- 24 credit points of Research Pathway units of study; and
- 18 credit points of Specialisation units of study or Data Science Specialist units of study
- no credit points from the Foundation or Elective units of study

If you have chosen to take a specialisation then these units meet the requirement for a minimum of 18 credit points of Specialist units.

You must select units of study for semester 1 and 2 of the current academic year (unless you are commencing your course mid-year). If you are a domestic student, a full-time load is considered 18-24 credit points per semester. If you are an international student you must select units of study totalling 24 credit points per semester.
