Student Services and Amenities Fee (SSAF)

2025 Allocation Report

Introduction

The *Higher Education Support (Student Services, Amenities, Representation and Advocacy) Guidelines 2022* (SSARA Guidelines) require higher education providers to provide a publicly available report on student services and amenities fee (SSAF) allocations and actual expenditure for the year as part of their annual reporting and in the form approved by the Minister. This *SSAF Allocation Report* is the form approved by the Minister.

The information provided in this *SSAF Allocation Report* does **not** require auditing by a financial accountant. The SSAF expenditure reporting is a separate process and remains unchanged, more information can be found in the [Financial Statements Guidelines](#) for Table A and B providers, and in the [Financial Viability Instructions: Applicants and Providers of FEE-HELP \(FVI\)](#) for all other approved providers.

SSAF Consultation and Achievements

The University of Sydney's Approach

The University of Sydney separated 2025 SSAF funds into 'base' and 'contestable' funding, an approach that ensured student organisations and other eligible areas benefited from a guaranteed funding foundation to support ongoing projects, while also encouraging funding recipients to address one-off student needs.

Base funding, a set funding amount that is reviewed annually, was primarily provided to the four independent student representative organisations that support the University of Sydney's students (i.e., the Students' Representative Council (SRC), the Sydney University Postgraduate Representative Association (SUPRA), Sydney Uni Sports & Fitness (SUSF), and the University of Sydney Union (USU)). Base funding was also provided to the Office of Student Life to support student leadership training and the Careers Centre. In 2025, the majority of SSAF was provided via base funding, with remaining funds allocated through contestable funding for one-off projects.

Eligible parties submit proposals for services or projects to be funded by the SSAF, which must align with the key areas under s 19-38(4) of the *Higher Education Support Act 2003 (Cth) (HESA)*. As a condition of receiving SSAF funds, recipients must use the funding only for the purposes outlined under the *HESA*. For instance, both the application form and annual funding agreement require the President or relevant student organisation representative to sign off that the funds will only be used for purposes in accordance with the *HESA*. In early 2026, student organisations completed financial acquittals confirming expenditure on their SSAF services and amenities, which is reviewed and signed off by an independent auditor.

Consultation

The University of Sydney engages in ongoing consultation with students to identify their priorities for directing SSAF funding. This occurs directly, through an annual survey that all students are invited to complete, and via formal consultation with student representative organisations.

Formal consultation with student representatives occurs through the SSAF Student Consultation Group, which includes student representatives from the University's four student representative organisations (SRC, SUPRA, USU, and SUSF) and the University's elected undergraduate and postgraduate student Senate Fellows. The SSAF Student Consultation Group also provides reports to the University Executive Education and Students Committee.

In April 2024, the SSAF Student Consultation Group endorsed the consultation and application process for 2025 SSAF funding.

In May 2024, the annual SSAF Student Survey was held. The survey helped identify student priorities for funding and was provided to SSAF applicants to link funding applications with the survey outcomes.

At the July 2024 meeting of the SSAF Student Consultation Group, student organisation representatives submitted priority areas for funding. These priority areas, along with the results from the annual SSAF Student Survey, provided the list of key student priorities for allocating 2025 SSAF funds.

In September – October 2024, applications for 2025 base and contestable funding were submitted. These applications were tabled at the October meeting of the SSAF Student Consultation Group. Members and attendees were invited to speak to their applications and discuss proposals for funding. The 2025 SSAF budget was also tabled this meeting for endorsement.

Following this, the 2025 SSAF budget was approved by the Deputy Vice-Chancellor (Education and Students). The SSAF-SCG also provided a report on the allocation and budget to the University Executive Education and Student Committee in December 2025.

Student-led organisations

Three of the University's student representative organisations meet the requirements of a 'student-led organisation' as defined by s 19-39(3) of the *Higher Education Support Act 2003 (Cth)*. These organisations are the SRC, SUPRA, and USU. Each has a governing body/board that is comprised of a majority of democratically elected students. For the SRC and SUPRA, all board members are democratically elected students. For the USU, 12 out of 14 board members are democratically elected students (including the immediate past president). These governing bodies make decision independently from the University. Moreover, these organisations publish their audited annual financial report on the Australian Charities and Not-for-profits Commission (ACNC) Register. The organisations also have constitutions, policies, and/or procedures that relate to record keeping, risk management, fraud prevention, and financial controls. Combined, these three organisations received more

than 40% of SSAF fee revenue collected by the University in 2025. In total, the University provided 61% of 2024 SSAF revenue to these student-led organisations.

Achievements

With 2025 SSAF funding, student representative organisations, faculties, and professional units providing student support services were able to continue delivering vital ongoing services and new initiatives such as campus life activities, food and drink services, student-produced media, career advising services, sporting and recreational activities, legal aid services, health and wellbeing services, and support for student clubs and societies.

Achievements in 2025 included the following:

- Food-security-related programs, including provision of food pantry supplies and free lunches
- Legal advice and assistance, including support for international students concerning migration and visa issues; keeping students safe from scams; and providing advice to students experiencing housing and accommodation issues
- Events and activities during Welcome Week / Orientation to welcome new and returning students to the University of Sydney
- Sports training and sporting activities
- Student health and wellbeing programs
- Student participation in university debating championships
- Funding and administrative support for over 200 student clubs and societies
- Careers and employability initiatives for students

SSAF Revenue Summary

	2025 Allocation \$ ¹	2025 Actual \$
SSAF Revenue	\$24,780,119	\$24,611,446
SSAF revenue carried forward from 2024	\$6,062,374	\$6,062,374
Total SSAF funds available for 2025	\$30,842,493	\$30,673,820
SSAF revenue carried over into 2026	\$5,044,480	\$4,875,807

¹ Allocation refers to the SSAF funds expected to be received in the reported year (i.e., budgeted SSAF revenue).

SSAF Charge Summary

The student services and amenities fee (SSAF) charged to students must not be above the maximum fee for a calendar year. The maximum SSAF is indexed annually as required by the *Higher Education Support Act 2003* (the Act). In 2025, the maximum SSAF was \$365.

Student Status	2025 SSAF charged \$ ²	Number of students charged in 2025 ³
Full-time ¹ (> 0.75 EFTSL)	\$365	55,799
Part-time ¹ (< 0.75 EFTSL)	\$273.75	23,863
		Total: 79,662

¹ Note: As per Part 2 of the *Higher Education Support (Administration) Guidelines 2022* (Administration Guidelines), students studying on a part-time basis must not be charged more than 75 per cent of the maximum SSAF that a higher education provider determines for students studying on a full-time basis. The term “part-time basis” means a study load of less than 75 per cent of the normal full-time student load for the period to which the fee relates. As per part 7 of the Administration Guidelines, the normal EFTSL value for a full-time student studying over a period of one year is 1.0.

² Note: As per Part 2 of the Administration Guidelines, a higher education provider may choose to determine a different SSAF for particular categories of persons, including a zero amount.

³ Note: Students are categorised as full-time or part-time students based on the total EFTSL value of the units of study they undertook in 2025. For example, a student undertook a full-time study load in Semester 1 which was equal to 0.5 EFTSL and undertook a part-time study load in Semester 2 which was equal to 0.375 EFTSL. This student would be categorised as a full-time student in 2025 as the total EFTSL they undertook in 2025 was equal to 0.875.

Student Status	2025 SSAF charged \$ ²	Approx. number of SSAF students remote learning 2025 ⁴
Remote learning/Online only	\$0	0

⁴ Note: The Department of Education understands that not all higher education providers capture mode of study in their information systems and many students undertake a mixed mode of study such as face-to-face and remote learning. The data provided above is for students who undertook remote learning for 100% of their units of study. Please note, due to the limitations of our information systems, the above data may be approximate.

SSAF Allocation Summary

Key areas of expenditure 2025

Subsection 19-38(4) of the *Higher Education Support Act 2003* (the Act) provides a list of 19 allowable expenditure items which higher education providers may allocate and spend SSAF revenue on.

Please note, under subsection 19-38 of the Act, SSAF revenue must not be spent to support a political party or the election of a person as a member of the legislature of the Commonwealth, State or a Territory, or a local government body.
