

## Stream Transfer Application

This form is for students in undergraduate degrees administered by the Faculty of Science who wish to transfer between streams of a course. Please submit your application by email to [science.facultyservices@sydney.edu.au](mailto:science.facultyservices@sydney.edu.au), prior to the first day of the relevant semester <http://sydney.edu.au/students/study-dates.html>.

You should submit your stream transfer application after the release of semester results and before the next semester starts. This gives us time to process your application, and ensure it is finalised by the time you need to enrol. If you submit your application prior to release of results, your application may not be processed until after your results are available.

Stream transfers are granted based on academic merit and/or as permitted in the degree resolutions <http://sydney.edu.au/handbooks/>. You will be notified of the outcome by email to your university email address.

Please see the [Change your course page](#) for information on all other transfers, including allowable transfers and internal course applications.

### Use this form for stream transfers in the following courses

Course code	Course title	Stream title
BPSCIENC-02	Bachelor of Science	Bachelor of Science (Advanced), Bachelor of Science (Advanced Mathematics)
BPSCIART-02	Bachelor of Science and Bachelor of Arts	Bachelor of Science (Advanced), Bachelor of Science (Advanced Mathematics)
BPSCILAW-01	Bachelor of Science and Bachelor of Laws	Bachelor of Science (Advanced), Bachelor of Science (Advanced Mathematics)
BPSCINUD-01	Bachelor of Science/ Master of Nutrition and Dietetics	Bachelor of Science (Advanced), Bachelor of Science (Advanced Mathematics)
BPPSYCHO-02 / BHPSYCHH-01	Bachelor of Psychology	Bachelor of Psychology (Arts), Bachelor of Psychology (Science)
