

Tell us about your digital experience for the chance to win a \$200 voucher

10 November 2022

Dear Chloe,

We want to get a better understanding of where you go to find the information you need as a current student to help us improve your experience. When you have a question or need to complete an admin task, what website content, tools or services do you use?

We invite you to take part in a survey about your digital experience with University self-services. Your feedback will be used to help us understand how you use our digital tools and websites, what we are doing well and what needs improvement, what is important to you, and it will help us to identify opportunities where we can improve.

The survey will take around 15 to 20 minutes to complete. At the end of the survey, you can enter into a prize draw for the **chance to win a \$200 voucher**. This project is managed by Global Reviews, a group providing digital intelligence and insights.

Thank you for taking the time to participate and for helping us optimise the University's digital self-services.

Kind regards,  
Leah Hill
