How to make the most of Orientation in 2021

Semester 1 is about to begin! Orientation looks a bit different than in previous years, with activities happening online and on-campus to cater for all students. [Check out our guide](#) to getting the most out of your Orientation experience.

Staying COVID safe on campus

If you are coming to campus to attend events, classes, or to use University services and spaces, there are [simple and important guidelines](#) you need to follow to help keep our community safe.

Happy Lunar New Year!

This year might be different to how you usually celebrate if you're not with family, but we hope you can get together with friends for an amazing Lunar New Year feast... like this one! [Watch the video](#) of our students cooking up a storm.

Boost your employability in

Semester 1

Get real world experience by [enrolling in an industry and community project unit](#). There are still spaces left in some projects for eligible students in Semester 1. Partners include EY, Adobe, IBM, ANZ Bank, Jacobs Engineering, PTW Architects and many more. Registrations close Sunday 28 February.

Notices

- If you have classes on campus this semester, you need to bring your student card with you to access buildings. Find out how to [get your student card](#), or [order a replacement card](#) if you've lost or misplaced it.
- The [Boardwalk at Darlington Campus](#) (from Lander St to Ralph's Café) is closed for resurfacing until Friday 5 March. Alternate access to and from the Darlington Campus is via Codrington St or around the Engineering precinct.

Get involved

Shoot your shot with SUSF

- Sydney Uni Sport & Fitness will host a range of [in-person and online activities](#) this month and next, including a livestream yoga workout, facility tour and free “try sport” mornings. If you're in Sydney, don't forget SUSF's [sporting and fitness facilities](#) remain open to all.

Become a uni 2 beyond mentor

- [uni 2 beyond](#) is an award-winning initiative that supports adults with intellectual disability to experience university life. Want to get involved and be a mentor? You'll get training, support and a letter of reference. [Complete the application form](#).

Get hands-on at the Chau Chak Wing Museum

- If you're an undergrad student, apply now for the [object-based learning workshop series](#) hosted by the Southeast Asia Centre. Find out more and apply by Tuesday 2 March.

Learn design thinking with experts from Adobe

- [Register now for Industry Connect](#) on Thursday 25 February, where you'll learn design-thinking methodology, meet like-minded students and network with senior professionals from Adobe.

Student spotlight

Students Gemma Tierney and Kasarina Mann share their experiences of participating in the Aurora Education Foundation program, a national not for profit that focuses on supporting Indigenous education.

Insta of the week

That feel when you're running late for class but the sunset is fire. Thanks for the amazing photo [@affred.i!](#)
