THE UNIVERSITY OF  
SYDNEY**9 November 2022**[Have news? Share it with us](#)

## LEGO® Tutankhamun

To mark the 100-year anniversary of the discovery of Tutankhamun's tomb in 1922, get up close and personal with the LEGO® version of the Boy King. The exhibition is [on display at the Chau Chak Wing Museum](#) until 31 January 2023.

## Academic integrity in online exams

Don't make cheating your last resort this exam season. While you prepare for your final assessments, it's important to keep integrity top of mind. [Here's how to maintain academic integrity](#) while sitting online exams.

## We're here to support you

Exam season can be tough on our mental and physical health, so it's important you're aware and make full use of the range of [health and wellbeing services](#) available to you – from [Innowell](#), where you can access free mental health and wellbeing resources, to [TalkCampus](#), a peer-to-peer support network. If you're an international student, you can also access [Sonder](#), which gives you on-demand access to wellbeing and safety professionals.

## Notices

- [Exams commence on 14 November](#). Make sure you're prepared by reading through the ['Taking online exams' Canvas site](#). If you're taking a proctored online exam, we encourage you to do a practice test, so you can ensure your computer and internet are working and you know what to expect on exam day.
  - We're launching a new-look University Handbook for 2023 to deliver improved quality of information and a better experience for students. The new handbook will be published during the second half of November. [Learn more about handbooks and course rules](#).

## Accommodation options in 2023

If you're planning on returning to Sydney in Semester 1 2023, it's a good idea to start thinking about where you'll live as student accommodation options are quickly filling up. While some of our on-campus accommodation is currently waitlisted, the [Queen Mary Building is still open for applications for 2023](#). Alternatively, there are still plenty of great [off-campus accommodation](#) options to consider, such as [Sydney University Village](#), [Iglu](#), [Scape](#) and [UniLodge Broadway](#).

If you're planning on finding your own private rental, make sure you know your tenancy rights and refer to the [SRC's accommodation guide](#). It's important that you don't rush into a decision. If you need help planning, speak to one of our [Peer Support Advisors](#).

## Events

### The Nicholas Catchlove Lecture

Join the Charles Perkins Centre for the [Health Cardiovascular Ageing lecture and panel discussion](#) on Monday 14 November from 5:30 pm. The panel event will include a Q&A, followed by refreshments

### Arthur and Hilda Winch Lecture

Join us for the Arthur and Hilda Winch annual lecture at the Australian National Maritime Museum on Monday 14 November from 5 pm. Associate Professor Duane Hamacher will deliver this year's keynote speech on Aboriginal

### Art After Hours at AGNSW

Want to see art after dark? The Art Gallery of New South Wales (AGNSW) will stay open every Wednesday till 10 pm, so you can explore their collection and displays, catch a film, or grab a drink

and canapes. [Register for the free event.](#)

Astronomy. [Register for the free event.](#)

after hours. [Find out more on the AGNSW website.](#)

---

## Get involved

### Win free coffee

Green Caffeine is giving students the chance to win free coffee! Simply participate in their reusable coffee cup program between 7 to 25 November and you'll go in the draw to win. [Learn more about the competition and how to enter.](#)

### Sydney Nano Taste of Research Award

Students undertaking research with [members of Sydney Nano](#) in the field of nanoscience and nanotechnology are encouraged to apply for the University of Sydney Nano Institute Taste of Research Award (AU\$2500). Successful candidates will develop research and problem-solving skills and gain experience in the field. Applications close 30 November. [Find out more about the Research Award and how to apply.](#)

### ABC TV studio audience call out

Join the studio audience at ABC TV Studios, Ultimo on Friday 18 November from 6:30 pm for an hour of multi-faith comedy and song celebrating Christmas, hosted by comedian and actor Nazeem Hussain. [Register for your free spot.](#)

### When was the last time you saw a Christmas beetle?

There's never been a long-term survey of Christmas beetles, so we don't know for sure which species, if any, are declining. Associate Professor Tanya Latty invites you to help with her latest study by tracking any Christmas beetles you see this summer through iNaturalist. [Register your interest to learn more.](#)

### Championing environmental values

In a recent workshop hosted by the Sydney Environment Institute, we heard from professionals in the arts industry about how we can all champion sustainable values in the workplace. [Read their key takeaways.](#)

---

## Dr Charles Perkins Oration

On Tuesday 25 October, the University held the 22nd Dr Charles Perkins Oration, celebrating the great contributions Aboriginal and Torres Strait Islander people make to our community. Watch the Oration on demand.
