Join the Student Voice Group

Take a hands-on role in improving life at the University – help us collectively tackle and address issues, and work together to improve the experience of our University community. Share your insights and gain experience in co-design, ideation and research techniques and see the impact your voice has on future improvements for the student experience.

We will keep in touch to invite you to different sessions seeking your views, ideas and even to co-design solutions for some initiatives. As a gesture of appreciation for your time, all recipients will receive a small voucher for participating. [Sign up to be part of the Student Voice Group](#).
