## ADDITIONAL INFORMATION FOR PROSPECTIVE USERS OF OUR UNIVERSITY CENTRE

Please keep for future reference.

### Accessing a place for your child

- ▶ Place your child's name on the list as soon as possible.
- ▶ Keep in touch with the centre via email at [ku.union@ku.com.au](mailto:ku.union@ku.com.au) and advise us of any changes in circumstances, updated details or if you no longer require care.
- ▶ Upon being offered a place, you will have only two days to decide to accept the offer of a place. The Director and staff will then contact you to organise completing the enrolment and the orientation process.
- ▶ Be flexible with the days you accept – middle of the week is most popular. Eventually you will get the days you require as current parents have priority on upcoming vacancies.

### Additional information

KU Union is managed by KU Children's Services, a not for profit organisation, which has been operating children's services for the community since 1895. Our premises are leased from the University of Sydney Union and priority of access is given to Sydney University Union student members, students, staff and then community. Our centre has been independently assessed by the NSW Department of Education under the National Quality Standards, and we are proud to be rated as *Exceeding* the National Quality Standard.
