

## **FMH HDR Scholarship application**

To be eligible for an FMH HDR scholarship you must:

- 1)** Have an unconditional offer of admission or be currently enrolled to study full-time in a PhD within the Faculty of Medicine and Health at the University of Sydney.
- 2)** Not hold or have been offered another Higher Degree by Research primary stipend scholarship administered by the University of Sydney at the time of application.
- 3)** Have completed no more than four (full-time equivalent) research periods of candidature by the end of Research Period 3, 2026 (30 September).

Part time students may apply however if successful will need to convert their studies to full time by the start date of the scholarship. \*Faculty of Medicine and Health Living with Disability Scholarship excluded.

In addition, your application will be assessed using this *Research Experience* and *Scientific Publications* criteria. Please complete the categories below so that a detailed assessment can be made.

---

Full Name:

Student ID Number (SID):

This application consists of three parts, some of these pages have been duplicated to allow for more than one example (*please delete additional pages if not applicable*).

Please confirm which section(s) you are including in this application.

### **Research Experience**

**Select all that are relevant**

#### **A) Work experience:**

Must be paid employment and must be research-related.

#### **B) Other research outputs**

(including non-classical publications that are not “primary journal articles” such as government reports, etc, clinical guidelines...)

#### **C) Scientific publications:**

- (i) Published primary data articles in refereed international or national journals (do not include narrative reviews)
- (ii) Published non-primary data articles in refereed international or national journals

*Please ensure your application is completed in full prior to submitting. Any changes or additions to submissions will not be accepted.*

## **Research experience**

Please complete each of the following categories if applicable. If not applicable please leave blank.

**A) Work experience:** Must be paid employment and research-related (do not include all professional positions but only list position(s) that is (are) research-related) (maximum 3 submissions)

|   |  |
|---|--|
| <p><b>Employer – name of employer.</b><br/>(max 45 characters)</p>  |  |
| <p><b>Position Title:</b><br/>(max 45 characters)</p>   |  |
| <p><b>Position description: briefly outline your daily duties relevant to the field of research.</b></p> <p>Examples:</p> <ul style="list-style-type: none"><li>- Performing laboratory experiments</li><li>- Collating and analysing clinical/epidemiological/public health data.</li><li>- Analysing results</li><li>- Leading subprojects within our research programs</li><li>- Graphing and/or tabulating results</li><li>- Collating results and summarising them for presentation (poster, abstracts, manuscript to be submitted)</li><li>- Contributing to the drafting of research manuscripts or reports.</li><li>- Presenting data in oral presentation during team meetings and conferences</li><li>- Collaborating with other staff, HDR candidates, and postdoctoral fellows to fulfill the research aims of grants.</li><li>- Designing and updates databases related to research projects in my research team.</li><li>- Undertaking reviews of scientific literature</li><li>- Drafting of applications to ethics committees</li></ul> <p>Max 700 characters (including spaces).</p> |  |
| <p><b>Position status: full-time, part-time or casual.</b> (list FTE e.g. 7 h/week is 0.2 FTE and 35 h/week is 1 FTE, all FTE must be verified by the employer) (max 35 characters)</p>   |  |

|  |  |
|--|--|
| <p>Position duration: provide total number of year(s) and start and end dates.<br/>(minimum is 1 year)(dd/mm/yyyy to dd/mm/yyyy format)(max 25 characters)</p>   |  |
| <p>Evidence: Attach an official letter from the employer verifying the descriptions of the position described above, as well as FTE dedicated to the position. The employer must provide a description of your role and comment on your performance in the role, particularly on research-related aspects.</p> |  |

*Please duplicate table if you have more than one employer*

### **Other research outputs**

**B)** Research output(s) generated within the past 10 years that are **NOT** journal articles. For example, publications such as government reports, clinical guidelines, grey literature research reports with an ISBN or conference abstracts with a DOI or uploaded proceedings. Do not include any outputs for which you are not an author or cannot provide evidence of your authorship. Do not include conference abstract with no DOI or published/documented proceedings. (maximum 2 submissions)

|   |  |
|---|--|
| Type of article: e.g. government report etc.<br>(max 25 characters)   |  |
| Title of publication: provide the full title as appearing in the research output.   |  |
| Date of publication (in dd/mm/yyyy format).   |  |
| Author(s)/contributors: state your contribution to the output – sole or part of a larger group. Describe your role in the output.<br><br>Example:<br>- Lead author (first authorship)<br>- Collating data<br>- Analysing data<br>- Graphing and/or tabulating results<br>- Drafting and contributing to the writing up of the report<br>(Max 300 characters (including spaces)) |  |
| Evidence: add link in the text field to the output or attach pdf to the application.  |  |

*Please duplicate table if you have more than one research output*

---

| Evidence: add link in the text field to the output or attach pdf to the application.  |  |

*Please duplicate table if you have more than one research output*

---

### **Scientific Publications – Primary Data**

**C) (i)** Published articles in *refereed* international or national journals generated within the past 10 years. Publications must be primary data publications (including secondary analyses) and systematic review papers. Do not include publications that have been submitted but not yet published, currently under review, or in preparation. Publications that have been accepted but not yet published (i.e. not yet assigned bibliographic details) are allowed, but you must provide evidence of acceptance from the journal. (maximum 5 submissions across all of section c)

|  |  |
|--|--|
| <p>Title of publication: provide the full title as appeared in the journal.</p>  |  |
| <p>Date of publication (in dd/mm/yyyy format).</p>   |  |
| <p>Are you listed as 1st Author?</p>   | <p style="text-align: center;">Yes</p> <p style="text-align: center;">No</p> <p>If no, where are you in the authors list (e.g. 4/20)</p> |
| <p>Author(s): provide a full list of authors as appeared in the journal.<br/>(please use Pubmed format,<br/><a href="https://pubmed.ncbi.nlm.nih.gov">https://pubmed.ncbi.nlm.nih.gov</a>)</p> |  |
| <p>Name of Journal: provide full name of the journal and ISSN.</p>   |  |
| <p>Please confirm whether this journal is ranked as Q1 here:<br/><a href="https://www.scimagojr.com/journalrank.php">https://www.scimagojr.com/journalrank.php</a></p>                         | <p style="text-align: center;">Yes</p> <p style="text-align: center;">No</p> <p>If no, which rank is the journal in (e.g. Q2, Q3...)</p> |
| <p>Volume/issue and page number.<br/>(please use Pubmed format,<br/><a href="https://pubmed.ncbi.nlm.nih.gov">https://pubmed.ncbi.nlm.nih.gov</a>)</p>   |  |

|  |  |
|--|--|
| <p><b>Contribution:</b> describe your role in the output (e.g. data collection, analysis, funding, manuscript preparation etc).</p> <p>Example:</p> <p>Lead author (first authorship)</p> <ul style="list-style-type: none"> <li>- Collating data</li> <li>- Analysing data</li> <li>- Graphing and/or tabulating results</li> <li>- Drafting and contributing to the writing up of the report</li> </ul> <p>(Max 300 characters (including spaces))</p> |  |
| <p><b>Evidence:</b> Add link in the text field or attach the PDF file of the article to the application.</p>   |  |

*Please duplicate table if you have more than one primary data publication. Max 5 papers across section c) allowed. If you have more than 5 papers, please choose your top 5, noting that primary data articles where you are first author or/and in a Q1 journal should be given priority and listed first.*

| Volume/issue and page number.<br>(please use Pubmed format,<br><a href="https://pubmed.ncbi.nlm.nih.gov">https://pubmed.ncbi.nlm.nih.gov</a> )   |  |

|  |  |
|--|--|
| <p><b>Contribution:</b> describe your role in the output (e.g. data collection, analysis, funding, manuscript preparation etc).</p> <p>Example:</p> <p>Lead author (first authorship)</p> <ul style="list-style-type: none"> <li>- Collating data</li> <li>- Analysing data</li> <li>- Graphing and/or tabulating results</li> <li>- Drafting and contributing to the writing up of the report</li> </ul> <p>(Max 300 characters (including spaces))</p> |  |
| <p><b>Evidence:</b> Add link in the text field or attach The PDF file of the article to the application.</p>   |  |

*Please duplicate table if you have more than one non-primary publication, max 2 papers allowed (1 narrative review). If you have more than 2 non-primary publications, please choose your top 2, noting that articles where you are first author or/and in a Q1 journal should be given priority and listed first.*

I, the supervisor, confirm that I have reviewed this application and that the information provided is true and accurate. I acknowledge that if any information is found to be false or misleading, the student will be deemed ineligible.
