

# 2020 GUIDE TO ADMISSION CRITERIA FOR INTERNATIONAL STUDENTS

Below is a guide to the Australian Tertiary Admission Rank (ATAR) and equivalent entry scores for 2020 for some common overseas qualifications.

The scores published below are guaranteed for admission in 2020, except for courses with an asterisk (\*) in the 'indicative score' column – these scores are an indication of what you will need to gain admission in 2020 (See table notes). Admission to all courses is subject to meeting applicable admission criteria for the course.

## **^ Teaching degrees: Bachelor of Education (Primary), Bachelor of Education (Health and Physical Education), and Bachelor of Music (Music Education)**

The New South Wales Education Standards Authority (NESAs) requires students entering these teaching degrees to achieve the equivalent of a minimum of three Band 5s in their NSW HSC, one of which must be English (English Standard or English Advanced).

For equivalent requirements for other Australian Year 12 qualifications refer to the UAC website:

For other non-Australian secondary education (high school qualifications), the University will assess whether you have achieved an equivalent standard through your high school studies. If you need to meet English proficiency requirements through a test such as IELTS, you will complete those requirements separately.

## **‡ Dalyell Scholars courses (by application)**

## **\*\* Sciences Po and University of Sydney dual degrees**

Admission to the Sciences Po Dual Degree is highly competitive. Acceptance will be determined by a Sciences Po and University of Sydney Dual Degree Admissions Committee based on evidence of academic achievement and intellectual readiness, and on applicants' own representation of their experience, ideas and aspirations. ### USFP GPA/USFP English

In the admission criteria table (pages 28-35), the University of Sydney Foundation program (USFP) score or GPA is the first listed score and the second letter grade listed after the forward slash is the English grade required. This score can serve as a guide to admission to other Australian university foundation programs. But note that, depending on the foundation program, the requirements may vary from course to course. Some foundation programs are expressed as a percentage. In this table, an 8 is equal to 80 percent, 9.5 is 95 percent and so on. Separate English requirements will apply for other foundation programs.

USFP package offers are not available with Sciences Po Dual Degrees due to the structure of these degrees, which require the first two years to be undertaken in France, and the resulting implications on a student visa.
