8  Transferring a corporate card

If a cardholder moves to another area of the University and needs to retain a corporate card, the cardholder and relevant line managers must complete pages 1 and 2 of the
corporate card application and agreement form and send it to the Corporate Card Administrator.

9 Acquittals

(1) Cardholders must acquit all card transactions in the travel and expense management system no later than the 22nd of each month, for manager’s approval to be completed by the 25th of each month.

   (a) Transactions that are unassigned or not coded by the end of the month will be accrued to the cardholder’s default accounts as a reversal journal for posting to the correct accounts in the subsequent month.

      (i) A missing receipt affidavit must not be used for accommodation, airfare or car rental. The cardholder must obtain a tax invoice or receipt from the supplier.

(3) Cardholders must identify transactions on which FBT is applicable and provide the number of employees and business guests in the travel and expense management system. The FBT liability will be automatically calculated in the finance system.

      Note: See the Fringe Benefit Tax Guidelines.

(4) Transactions that are personal expenses must be coded expense type “non-reimbursable / personal expense”, and the staff member must reimburse the University.

      Note: See staff intranet frequently asked questions for more information.

10 Disputed transactions

(1) The cardholder must contact the supplier to verify and resolve any incorrect, duplicate or unidentified transaction.

(2) If the cardholder cannot verify a transaction, they must mark it as disputed in the travel and expense management system and complete the system dispute form to notify the bank.
(a) The bank has 90 days to resolve a disputed transaction.

(3) When a dispute is resolved and a refund is received, the transaction in the travel and expense management system should be acquitted.

(4) If a disputed transaction is substantiated by the bank as having been authorised by the cardholder, a $5 voucher retrieval fee will be charged to the cardholder’s account.
