   (b) integrates leave planning into workload planning;
   (c) meets the needs of the University’s strategic and operational objectives; and
   (d) complies with relevant legislative and regulatory obligations.

(2) A staff member on leave, including leave without pay, remains employed by the University.
(3) All leave entitlements apply to part-time staff on a pro-rata basis.

(4) All leave must be approved by a staff member’s manager except for a parental leave plan which must be approved by a head of school or head of administrative area as appropriate.

(5) A manager with the appropriate delegation of authority may approve a replacement staff member where the substantive occupant is on a lengthy period of leave such as parental leave, long service leave or leave without pay.

Note: See the University of Sydney Delegations of Authority Rule 2020.

(6) A teaching academic who wishes to apply for leave which will impact on their teaching commitments must obtain exemption from teaching during the proposed period of absence, from the relevant head of school.

(7) A staff member who is on approved leave overseas may only commence work remotely overseas with the approval of the Vice-Chancellor or Vice-Principal (Operations), as appropriate.

Note: Contact your HR Partner for advice on the approval process. See the Flexible Working Arrangements Policy in regards to working remotely from interstate on a regular basis.

(8) A staff member who takes leave in association with travel on approved University business is responsible for it being recorded in the HR Management System.

Note: Annual leave or long service leave taken in association with travel will be processed automatically from a staff member’s Digital Travel Diary. See the Travel Policy and Procedures.

(9) Schedules 1 and 2 to this policy summarise leave entitlements provided by the Enterprise Agreement.

(a) If there is any inconsistency between these schedules and the Enterprise Agreement, the Enterprise Agreement prevails.

(10) Staff also have access to a range of flexible working arrangements to balance work, personal, family, community or other responsibilities. These provisions are set out in the Flexible Working Arrangements Policy.

(11) In exceptional circumstances the Vice-Chancellor, in consultation with the Chief Human Resources Officer, may approve additional leave arrangements.

8 Planning leave

(1) Staff members and their managers are jointly responsible for planning leave.

(2) Managers are responsible for:

(a) discussing leave applications with their staff and, as far as practicable, considering a staff member’s preference in the timing of the leave;

(b) assessing the impact of the leave on the organisational unit’s workload and operational requirements before agreeing to leave plans;

(c) approving and monitoring the leave through the HR Management System;

(d) confirming that a staff member has submitted a leave request for leave taken, including any leave taken in conjunction with travel on University business, so that leave records are accurate; and

(e) consulting with the manager who has the delegation of authority to appoint staff in their organisational unit where a replacement staff member is required.
(3) Staff members are responsible for:
   (a) discussing the proposed timing of the leave with their manager; and
   (b) applying for the leave through the HR Management System with as much notice as is practicable.

(4) To support workforce planning, the HR Management system allows staff to view leave booked by members of their organisational unit.

   (a) staff may view the period of leave only.

(5) HR Services are responsible for:

(2) Managers and staff must plan for a staff member to take annual leave regularly, to support their health and wellbeing and to maintain a work life balance.

(3) Staff are encouraged to take their entitlement to annual leave in the year that the leave accrues. If their manager approves a longer-term annual leave plan, this should be included in longer-term workload planning.

(4) If a staff member applies to reverse approved annual leave, their manager will work with the staff member to formalise an alternative annual leave plan.

(5) A staff member may purchase additional annual leave by entering into an individual flexibility arrangement.
   (a) This arrangement enables a staff member to work reduced weeks over a 12 month period and take additional leave, with a proportionate reduction in their salary and any loadings.
   (b) A staff member must take the additional annual leave prior to the end of the 12 month period and their application must identify when they are planning to take this leave.

   Note: See clauses 7-11 of the Enterprise Agreement for the requirements that must be met to enter into an Individual Flexibility Arrangement.

Managers should not approve leave that will result in a negative annual leave balance when the leave is taken; but may use discretion for staff on fixed term contracts to accommodate using all annual leave by their contract end date.

**Note:** See Schedule 1 for details of annual leave entitlements. For further information see clauses 191-206 of the *Enterprise Agreement* and the staff intranet.
